**Chautauqua...
The best
kept secret in
New York State**

Pathway Tours, a Canadian motorcoach operator, has once again organized this highly requested tour for August 26-28/93, which includes performances by Anne Murray and Peter, Paul and Mary.

The breathtaking lake and Victorian community is so well hidden and almost unknown, just a short distance southwest of Buffalo and is probably the biggest surprise to all who have discovered it. The Victorian architecture of the many summer homes is complemented by lovely gardens and a quaint village square with very unique shops, tea houses and cafes.

There are no cars on the narrow cobblestone streets and you can wander until your heart is content, gazing at the beautiful Victorian homes and cottages with wonderful displays of flowers on every verandah.

The beauty and tranquility of Chautauqua are indescribable - until you have visited this 832 acre community but, once you have, you will wish to return.

For more information on this popular motorcoach tour which departs from Georgetown, please call Beeline Travel.

Bowling for CHAMPS

Once again this year, the Georgetown Lawn Bowling Club will be hosting its Canada Bowls Challenge Tournament, the 7th annual, in what has become a very successful event locally. Area ser-

vice clubs have been invited to send representatives to bowl as part of a team in a fun day of bowling on Saturday, starting at 10 a.m.

Funds from the day, and any donations received, are used to assist in the acquisition of specialized sports limbs for children in the (CHAMP Program), which is funded by the War Amps of Canada.

Last year, with the generous support of the participating clubs, as well as area business \$670.00 was raised for this cause.

As well as assisting an extremely worthwhile program, it provides people with a positive introduction to the sport of lawn bowling.
