Smith golf tourney goes Monday at North Halton Golf and Country

Everything is in place for the 17th annual Bill Smith golf tournament scheduled for Monday at North Halton Golf and Country Club in Georgetown; a fundraiser for the Canadian Cancer Society.

Smith and the rest of the tournament committee are hoping for good weather for the event, which has raised over \$250,000 for the Cancer Society. This year's tournament promises to be just as successful.

The 240 spots for golfers have been filled with many more on a

waiting list showing just how popular the tournament is with people not only in Halton Hills, but from around southern Ontario.

There are several options for companies to get involved to support the fight against cancer. One is for a company or an individual to purchase a hole. Your name will be staked at that hole on a professionally painted sign for everyone to see, and will be left on the golf course for a period of three days. The \$100 fee goes directly to the Canadian Cancer

Society.

A corporate sign may be chased which would have name or company name and be staked at the clubhouse. A larger sign than the first one. \$500 fee for this sign also directly to the Canadian Cancer Society.

Many prizes will be given at the tournament including cars, available for a hole-in-which will be set up at different holes, plus a draw for a trip to Las Vegas will be made.

Squirt girls whizz past Acton

By Wendi Goodhew

Squirt Girls 32, Acton 10

The Glen green machines were playing on high octane fuel Tuesday night when they roared by the Acton Squirt girls 32 - 10. Stacey Bisson put out the chequered flag in field when she

Glen minor ball

caught a nice fly ball for an out against Acton. Katie Rowland slipped into overdrive, hitting a great home run sending two runners plus herself across home plate. Kathryn Perdue did a great job catching and guarding home plate. As the score proves, all players played a strong game for their sponsor, Paul Armstrong's Insurance. Coach Cindy English can be proud of her team.

Squirt Girls 20, Hornby 5

The Glen Squirt Girls Green Machines were still revved high Wednesday, this game beating Hornby 20 - 5. Jennifer Calnal was the star of this game when she grabbed three fly balls in the field for three outs. Katie Rowland put the squeeze on a nice fly ball hit by Acton to send the Acton player back to the dugout.

April Everingham and Katie Rowland showed their fans some great pitching on the mound for the Glen while Kathryn Perdue and Kristine Boyle took care of the catching duties.

These Green Machines are having a great 1993 campaign! Look out, the Glen Squirt girls are revved and ready to play ball.

Umpire-in-chief-for the Glen, Wayne Norton, has done a great job this year providing umps for the younger players. Chris Kersley, Jim Norton, Ken Armstrong, Chris Goodhew, Doug Crawford Sr., Doug Crawford Jr., Andy Teford and Wayne himself have been kept busy covering the games.

Although it can be tough umping, Wayne says he and his crew enjoy the games and the younger kids are great to work with. It's a great summer job you can enjoy. Keep at it, Wayne, you're doing a

great job!

While the fans and players enjoying the game, many volunteers are busy running the booth providing those much-needed refreshments at the Glen games.

Cindy Belinger, Jackie Ing Judy and Linda Armstrong, L. Lafleur, Carol Telford, C. Crawford, just to name a few, in many hours in the booth. money raised in our booth goes back into Glen Minor Ball to provide extra's for our players. Great job, guys!

Atom Boys #1-16 Acton -

Jim Hall (Sparky) had his players in high gear when they drove by Acton 16-8 Wednesday night at the Glen.

Josh Inglis slipped into overdrive this game, hitting a double and had three RBI's.

Derrick Grayson sent two Green players across the plate when he hit a nice double.

Erick Simon had a good night collecting an RBI for his team. Matt Gray had all eight cylinders working when he drove out a triple, sending a Glen player across the plate.

Colin Jackson was working hard defensively with a great catch at the end of the third inning.

The whole team played well at the Glen, changing history. They made it worth the drive to the Glen!
