Time to bid adieu

By Bryn Davies

This is that time of year when we say good-bye to some highly valued members of our staff who will not be returning next year.

Mrs. Joan Silk will be retiring after nearly 35 years in teaching. Mrs. Silk will be remembered for her coaching, her work with the federation and various school committees and in the last 11 years, her support for students through our guidance department.

Mr. Don Campbell will also be retiring. As a member of our Business Department, Don made many valuable contributions to school initiatives involving finances. His quiet, unassuming manner is respected by his colleagues and his many contributions to the school will be missed.

Mr. John Hatzifotis will also be leaving. John was a member of our Social Science department this year. John was previously an

Principal's Corner

instructional assistant in our special education department, which inspired him to attend the Faculty of Education. We wish John well in his future endeavors.

Mr. Greg Newell, who assisted in the Special Ed area this year will be attending the Faculty of Education next year. In addition to his support for the classroom, Greg was an enthusiastic coach in our hockey and baseball programs. The profession will be lucky to have Greg as a member.

Ms. Karen Pepper worked in our Physical Education department this past semester. A former GDHS athlete, Karen made a valuable contribution to our swimming and track and field teams as well. We'll miss Karen's expertise and enthusiasm. Good luck, Karen.

Three other GDHS teachers will be teaching elsewhere next year. Mr. John Gerwin will be remembered for his "intelligence, kindness and enthusiasm" in his work with the students and staff of our English and Business Departments. John will be teaching science at Acton HS next year.

Mrs. Liz Cooney has been an energetic member of our science department for the past two years and has made a significant contribution to our intermediate program. General Brock HS in Burlington will be lucky to have her enthusiasm and expertise.

Mr. Mike Sherlock will be the new Acting Head of Math at Queen Elizabeth Park HS in Oakville next year. Mike is a very strong staff member and will be missed by staff and students alike. Good luck in your future challenge, Mike.

Buddies' program

The Town of Halton Hills Recreation and Parks Department is looking for keen volunteers who are eager and willing to help make a difference in the summer lives of children with special needs. The department is seeking mature individuals who have experience or are eager to learn and have an interest in providing support within a children's program. If this sounds like you, please call Joanne Russell at 873-2600, ext. 267.
