Hills Hydro redeems itself

By Oksana Buhel

Jurgen Kandziora has had a lengthy struggle with Halton Hills hydro, but he finally feels his efforts have been rewarded. Kandziora, a Georgetown resident, noticed that his hydro bill was higher than usual at the beginning of March. After an inquiry, he discovered the Halton Hills hydro was charging a 5 per cent late fee on the full charge instead of on the amount which hadn't been paid. According to the Standard Applications Ratebook, a set of rules by which the hydro of each municipality must abide, this practice was illegal.

Kandziora complained to Gerry Trudell, manager of the Halton Hills

hydro, and as a result, an adjustment was made to his account. Kandziora was concerned whether other over-charged customers would be refunded and whether their refund would be retroactive.

He wrote a letter to Maurice Strong, chair of Ontario Hydro, complaining about the situation.

Recently, Kandziora received a reply in which Strong promised to "rectify the error immediately for any customer who can show that the 5 per cent late payment charge was applied improperly."

Kandziora is satisfied. "I think this is the best thing to be expected. The next step would have been a court case."

Parent handbook

New this year, all parents/guardians of children registered in the Town of Halton Hills Recreation and Parks Department Summer Programs will receive a copy of our new Summer Camps Parent Handbook. This booklet contains a wealth of information regarding the operation of the Day Camp programs as well as details about how you can support this year's Environmentally Friendly "Go for Green" theme by donating good used toys in our Toy Drive or supplying great recycled "stuff" for use in the craft and drama programs. Staff are eagerly awaiting the opening day of our 5 Activity Centres throughout Acton and Georgetown. If you have a child between the ages of 3 years and 16 years who is looking forward to a fun-filled summer, be sure to register them in one of these camps. This is the stuff that great childhood memories are made of! Halton Hills Recreation and Parks - The Place to Be in '93!
