

SCHOOL'S OUT

For Summer! Drive Carefully.

The kids are packing up for summer camp. Or they're looking forward to having some fun at the pool or beach. It's a time for enjoying their summer freedom. But they sometimes forget to watch where they're going and what's happening around them. So it's up to you, as a responsible driver, to keep a lookout for them while you're on the road. Let the kids have their fun. Help make it safe for them by slowing down and expecting the unexpected!
