

Silver Creek Lookout Trail close at hand

By Frances Walker

Here's another loop walk near Georgetown of about 4.5 km in length. Proceed north on Trafalgar Road from Hwy 7 and turn right on to 27 Sideroad. Where 27 Sideroad meets 8th Line, jog left and then right to continue on 27 Sideroad. At the bottom of the hill there is a shoulder on the right where you can park.

Follow the white blazes of the Bruce Trail along the road and across Silver Creek. Shortly after the bridge, the trail turns right into the woods. Follow the blazes carefully because this area is used extensively by the students at the Silver Creek Education Centre and there are many unmarked trails. You will shortly emerge onto Fallbrook Road and cross it to continue on the trail. Soon you will come to the start of the Silver Creek Lookout Trail, blazed in blue.

Continue on the main trail as it follows the Escarpment slope. Keep an eye open for the blue blazes of the other end of the side trail. It will be

on your right. When you reach it you will have walked about 2.5 km. Leave the main trail now and follow the side trail. You will be walking along the Escarpment edge and near

some precipitous drops. Exercise caution! You will join the main trail and turn left to come back out onto Fallbrook Road. You may either retrace your steps to your car, or simply proceed down 27 Sideroad as a short

cut. There are some challenging sections of this trail that require proper shoes, and caution is to be used when near the Escarpment edge. The total distance is about 4.5 km. Allow 2.5 hours for the walk.

Good passing on the part of the Orange Linda Armstrong team resulted in Alanna Zelek netting two with another goal by Laura Shields. Jodie Armstrong played well and coach Brenda Smith said the forward line was working well together. The score was 4-1 for Orange, with Rob Timmings as referee, whistling while he worked.

The Green team kept the action in the Blue Optimists zone in the game at Emmerson field. Green player, Meighan McIntyre had a great shot miss by inches, while teammate Keri Hofing dunked her second of the year. In the last five minutes, Optimists tied it up 1-1 with Teri Lynn Reynolds scoring, assisted by Becky Culp.

Jenny Culbert, Amanda Burgan and Karen Zomer stayed in position and played well, said Green coach Gerry Burgan. Playing well for the Blue Optimists were Kim

Nielsen in goal and Jacqueline Mousseau at forward. Dylan Lee wore the referee black.

The Gold Poppacorns were only able to field eight players so they had to run the whole game but they were on the top end of a 4-3 score when they met the Red Millieres T.V. in Acton. The Red team played with nine players.

There were no lines to see the balls that were out but the girls managed some long throw-ins with style. Scoring for the Red team were Bethan Elliott, Katie Rebbetoy and Alyssa Taylor. Scoring for the Poppacorns were Danielle King with two and Heather Stevens, Michelle Smyth and Gillian Redman played with great effort for the Poppacorns. Lauren Boyce was observant in goal for the Millieres side while Jennifer McBean and Krystal Westman developed their defense kicks.

Acton Atoms survive

By Ellen Piehl

What could have been a complete blow out turned into a two-run ball game as the Acton Denny's Insurance Atom Boys baseball team defeated Waterdown 12-10 last Thursday at Prospect Park, in Acton.

There was no scoring until the bottom of the second when Wayne Hopkins stole home plate to give Acton a one-run lead.

At the end of the inning, Acton led 7-0.

But Waterdown had other plans.

With two out at the top of the fourth, Waterdown managed to score five runs to tie the game up at nine apiece.

Jeff Cole broke the tie in the bottom of the fourth when he drove in Joey McGrath, who reached first base on an error earlier in the inning.

Acton got their 11th run later in the inning when Chris Gibson brought in Cole from third on a routine ground-out.

Acton then got one more run in the fifth to take a three-run lead.

Waterdown managed to score one run in the sixth, but it wasn't enough as Acton hung on to win.

June 29

Limehouse (Georgetown Revolver Club Mosquitoes) hosted Acton Lions Club in a much-needed win for Limehouse.

Top notch pitching by Adam Spinney, Kenny McKenzie and Ryan Holman helped to tame the Lions.

The following players led their team to victory, with runs scored by Neville Bapooji (2), Paul Payne, Mark Bailey (2), Roy Wigood, Kenny McKenzie, Brandon Hilts and Ryan Schofield.

There were some excellent catches by Kenny McKenzie, Dave Cole and two great ones by Ryan Schofield.

Awesome base stealing by Ryan Schofield and Neville Bapooji. Neville dives head first like a "speeding bullet" to reach for the bag.

A combination of concentration and total team effort by all players contributed to the Limehouse victory. Final score Limehouse (Georgetown Revolver Club) 9, Acton Lions Club 4.
