Georgetown Toyota has reason to celebrate

J.D. Power and Associates new car quality study rated Toyota Corolla, Camry, Tercel and Paseo "Best in Their Classes".

The CAA annual "Autopinion" says Toyota's repair and maintenance costs are less than the competitions even over five years. Along with record sales and their first anniversary at their Mountainview Road location, Georgetown Toyota has a lot to celebrate this month. New General Sales Manager, Steve Phillips, would like to ensure Halton Hills and area that Georgetown Toyota will strive to offer the highest levels of customer service while offering top quality products.

Phillips reminds us that whether you're looking for a new car or a used car, a solid test drive is imperative.

At Georgetown Toyota, they believe repeat business is essential to a successful dealership and this can only happen if the buying experience was pleasant and the service received makes you want to come back.

Service Manager Ben Van Doorn and Service Coordinator Peter Leitch are

ready to assist you with all your service needs and have extended hours, Thursday until 8 p.m. and Saturday, 8 a.m. to 1 p.m., to better assist the customers' needs. Phillips and sales staff Phil Dunn and George Epitropou look forward to the opportunity to make you a Toyota customer for life.
