

## Limehouse mystery-man arrested

Tuesday night at 11:30 p.m., Halton police arrested a 55-year-old Limehouse man at his home, seized five handguns, and charged him with careless storage and possession of unregistered restricted weapons.

According to police, the arrested man had been living under an assumed identity for

18 years. Halton Regional Police who would not identify the accused, had been advised by an unidentified source about the man's identity switch, and while investigating, discovered there were outstanding warrants in Peel Region for his arrest.

Some of the charges,

including fail to appear, impaired driving, having over the legal limit of alcohol, and causing a disturbance, dated back to 1975.

The man will appear in Milton Provincial Court Aug. 16 for the gun-related charges, and will appear later in Peel Region Court for the former charges.

## Terry Fox run on Sept. 19

The organization of the Georgetown Terry Fox Run is off to a great start. The chosen route for the run extends through varied terrain throughout the community and takes place on Sept. 19, starting at 8 a.m.

Participants of all ages will be welcome to run, bicycle, walk, jog or wheel on a well-marked

course that stretches across 5km or 10km, depending on the participant's ability. The emphasis is on participation and not competition or completion of the entire course.

Refreshments will be available throughout the run and there will be many pre-run and post-run activities to amuse young and old

alike. Pledge sheets will be available at your local chartered banks.

This family affair will be a perfect event in which all members of the community can make a difference by participating and donating for the benefit of Canadian Cancer Research. So mark your calendar for the 13th Annual Terry Fox Run.
