Do you know the warning signs of a stroke?

The primary one is sudden, dramatic weakness or numbness of the face, arm and/or leg on one side of the body, which usually lasts for only a few minutes. Others include:

- temporary loss of speech, or trouble in speaking or understanding speech
- temporary dimness or loss of vision, particularly in one eye
- sudden, severe, unusual headaches, or a change in the pattern of headaches.

If you experience any of these problems, tell someone and call for emergency help. Know the telephone number of your local emergency medical care service and use it!

For more information on blood pressure or stroke, contact your local office of the Heart and Stroke Foundation of Ontario.

Gunners hit the mark

Canada Day Under-13 girls soccer action saw Maroon victorious over Brampton Real Estate by a score of 3-0. The day provided cool weather but a well-played game. The team passed well, giving Angie Van Egmond the opportunity to score two goals and Angela Jackman one. Allison Hawes and Jody Normore played well at midfield and Charlene Roche played a strong second half in goal.

Other July 1 action concluded with State Farm winning 4-0 against Fendley Florists.

Despite very humid weather conditions this past week, a great game was played between Fendley Florists and Maroon with both teams putting forth a valiant effort. Fendley Florists was victorious over Maroon 2-1 with Tara Rafferty and Stephanie LeFebvre scoring one each

Under-13 Girls

and the single goal for Maroon scored by Trisha Edwards. Despite a shortage of Maroon players, excellent defense and goal-tending were demonstrated.

The same evening saw State Farm victorious over Brampton Real Estate by a score of 6-1. Scorers for State Farm were Rebecca Leferink with two and Tyrenny Anderson, Shannon Rypstra, Jennifer Elliott and Nicola Leishman each scoring singles.

The Barber Drive Neighborhood Park in Georgetown south is near completion but that was good enough for two-year-old Alyssa Dennie (left), two-year-old Taylor Kalem (front), and one-year-old Jenna Misener. With a helpful push from Kerry Dennie, the rubber tire swing was the thrill of the day.

POOL & SPA Tips

Accessorize Your Pool #2

All year, BioGuard cleaners and water enhancers protect pool surfaces, equipment, solar blankets and winter covers, and keep pool water sparkling clear.

Kleen-It™
 Scale, rust and deposits from the filter are no match for Kleen-It™. It is safe for all equipment and regular use means less frequent back washing.

Strip-Kwik™
 Remove oil and grease from diatomaceous earth (DE), cartridge and sand filters with Strip-Kwik™. It lengthens filter cycle for greater efficiency.

Polysheen™ and Quick Clear™
 Polysheen™ clumps small particles together so the filter can easily remove them from the water. Use with Quick Clear™ filter aid to keep filter running properly and restore water sparkle.

Liqui Flo™
 When your pool can only be described as a "swamp," Liqui Flo™ may be the answer. Its special formula collects any particles of debris and draws them to the bottom of the pool where they can be easily vacuumed.

Water clarifiers restore sparkle to pool water in several ways:
