

## Oakville factory ransacked

Released by  
Sergeant Rod Cliffe

Estimates range between \$30,000 and \$40,000 after a break-in at a west Oakville factory last month. Computer systems, tools, gauges, office supplies, and cash were taken. The thieves were selective in their choice of computers, selecting only the better quality items, but also took notepads and boxes of kleenex.

The entry took place during the first weekend in June at HAYES-DANA INC. on Wyecroft Rd. Employees discovered the burglary when they arrived for work. Every cabinet and office was opened. One of the stolen gauge sets was made of brass and ivory and was in a wooden case, known as a presentation set. Pens, highlighters, printer ribbons and a TV were also on the list of stolen property.

Halton Police and Crime Stoppers are asking for help in identifying those responsible.
