

JobsOntario alert

Are you receiving social assistance or family benefits? Perhaps you have exhausted your Unemployment Insurance benefit or are ineligible to receive Unemployment Insurance or are on Worker's Compensation? The Region of Halton (a jobsOntario broker) is presently registering those who qualify for the Halton jobsOntario training program.

JobsOntario is a job creation and training program designed to get our province's unemployed back to work and to give private sector employers the opportunity and funding to upgrade the skills of new and existing workers. Employers can receive up to \$10,000 as a training credit and a broker is able to work with the employee and employer who are creating new jobs for the new employees.

Jobs are available through-

out Halton. Affordable licensed child care spaces are also offered to help get parents back to work. Those interested (employers or potential workers) can call jobsOntario at 878-8113 or 853-0501 to register.

Already registered in jobsOntario? You should know that current job alerts and job listings are now posted at Acton Social Services and Information Centre, 19 Willow St. North, Acton. Drop in and view the listings Monday to Friday, 8:30-4:30. Should you require more information, call Acton Social Services at 853-3310 or come in and visit us today!
