Georgetown Cricket Club vies for title

Cricket

Georgetown Cricket Club, 1993 Divisional champion, has advanced to the championship final in the Hamilton & District Cricket League by defeating Brantford C.C. in the semi-final game played last Sunday.

The championship match will be played tomorrow (Sunday), 12:30 p.m. against the Mississauga Ramblers at Jack Darling Memorial Park in Mississauga.

Georgetown went to bat first against Brantford and the opening pair of Buggy Boodram and Chamo Sookram put on 15 runs when Boodras was out for six.

The next batsman, Kenny Lakhan, did not last long as he was bowled by a low trajectory ball. H. Ramnarine then joined Sookram and played a sound defensive inning before his partner Chamo was bowled out for 11.

At this stage, Dave John, the team's most prolific and hard-hitting batsman, who made a splendid 119 not out against United C.C. the previous week, joined Ramnarine and the partnership reached 52 runs before John was out for a well-played 25 runs.

C. Vassel enlightened the proceedings by hitting eight boundaries in his individual score of 57 runs. Ramnarine was out next for a solid knock of 27 runs. M. Atwal also batted in hurricane fashion to score 21 runs before the Georgetown inning closed for the respectable total of 162 runs.

After the interval, Brantford went in to bat and with the score at eight, Kanta Dewar struck for the first wicket and with the addition of two more runs, Kanta struck again for another wicket.

K. Dewar had an excep-

tional day with a spell of nine overs, one maiden, 20 runs and four wickets. He was ably supported by K. Ramnarine with figures of six overs, three maidens, 15 runs and one wicket.

Dave John also bowled well and had five overs, two maidens, eight runs and two wickets, while the spin bowlers C. Samaroo and I. Dewar bowled one for 14 off three overs and two for three off 2.3 overs respectively.

Brantford was all out for 86 runs, thus giving Georgetown a victory by 76 runs.

Coaches and managers deserve praise

By Ruth D. Taylor

As the girls Under-11 soccer season comes to a close, it is time to thank the managers and coaches who have arranged practices and spent time with the girls. They have been teaching them the rules and strategies involved in a great sport to develop cardiovascular physical fitness. Each coach or manager was responsible for showing up 16 times in order for 42 games to be played. The coach and managers are: Kelly Green: Gerry Burgan / Steve Dillabough. Blue Optimists: Paul Allan / Ralph Culp. Red Millieres TV: Bryan Boyce. Gold Poppacorns: Bruce Fielding / Jim Neill. Orange Linda Armstrong / Johnson & Johnson Associates: Brenda Smith / Dave Norman.

Many parents show up for each game with water bottles, oranges, and words like

Under 11 Girls

"Good try", "Stay with 'em". Sitting together encourages cheering for both teams, clapping for goalie saves from both teams and congratulating everyone's kids on strategies that are well played such as a long kick or a great field run.

Latest games had the Red Millieres TV winning 2 - 0 over the Blue Optimists, after keen and close competition. The Millieres TV noteworthy players were Bethan Elliott with two goals, Lauren Boyce with solid defense and Katie Rebbetoy with constant improvement. The blue players demonstrated good all round defensive play with Kenzie Hackett, Elizabeth DeJong and Jacqueline

Mousseau. The whole team played well.

The Kelly Green team faced off with great skill but 3 orange strikers netted four goals. Scoring for the Orange Linda Armstrong team were Ashleigh Dunlop, and Ellen Smith with a goal each while Laura Shields kicked in two. Jenny Culbert, Melanie Sherren and Amanda Burgan played well for the green people. Noteworthy for the oranges were the goal scorers, as well as Jodie Armstrong, Becky Taylor and Anna Mansfield. Thanks to Dylan Lee for refereeing.

The last game of the regular season was the Poppacorns versus the red Millieres TV and Bethan Elliott with her golden toe scored two goals to put the

Millieres TV folks one up against the Poppacorns. Heather Inglis scored the singleton for the popcorn side. The whole red TV crew played well. Poppacorn goalie Heather Stevens made several brilliant saves and red goalie Mary Krasny played her usual good game. Ben Redman did a fine job as a substitute referee when no one in black showed up.

Many thanks to all our junior (and senior) referees who have turned out for our games. Playoffs start now. The Orange Linda Armstrong team were the overall winners in the league play with the poppacorns in second place, Millieres TV close behind and the green players and the blue Optimists attaining fourth and fifth respectively.

Good sportsmanship demonstrated

Good sportsmanship was demonstrated Sept 2, by the Brampton Real Estate and Maroon teams in girls Under-13 soccer, as they battled it out under somewhat wet conditions in the last game of the regular season.

The game ended in a 2-2 tie.

Scoring for Brampton were Katie Tuitman and Annie Schaefer. Other noteworthy players included Sarah Wiulliams, Jaime Campbell and Jenny Zomer.

On the Maroon team, Trisha Edwards and Angie

Van Egmond played forward, with Trisha scoring two goals.

Sarah Czerwinski and Jodi Hawes supported their team well with good defense and Adrienne Van Egmond played an outstanding game in nets.

In other games, despite the high humidity, it was a triumphant night for the Brampton Real Estate Team as they outscored Fendley Florist 2-0. Brampton forward Annie Schaefer made the two successful shots on net. Also putting forth commendable effort in this game

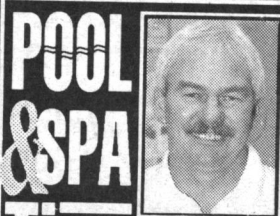

were Sarah Williams and Eryn Ashbee.

It was a State Farm victory here against Maroon with a final score of 4-2 despite outstanding work in the Maroon net by Tasha Palumbo-Coates and spectacular saves by Charlene Roche in the second half.

Scoring for State Farm were Colleen Thompson, Nicola Leishman and Rebecca Leferink with teammate Jennifer Elliott also putting forth excellent effort.

For the Maroon team, midfielder Angie Van Egmond scored one goal and assisted on a second. The forward line of Faith Malinosky, Crystal O'Reilly-Hodge and Trisha Edwards accounted for another goal. Playing well at midfield were Sarah Czerwinski, Tasha Palumbo-Coates, Alison Hawes and Cheryl Eagleson. Kerri Nielsen played consistently well at defense.

Semi-finals were played last Thursday and Finals Day is scheduled for Sept. 18, 10:30 a.m. at Cedarvale Park.

DON'T PUT PROBLEMS TO SLEEP FOR THE WINTER

You can see the signs. Days are getting shorter. Cooler breezes replace the summer's heat. It's time to put away the pool toys and close the pool. But for a moment, think ahead to next spring. Wouldn't it be nice to be able to swim right after opening? Sure it would. Here are a few tips on proper winterization now to prevent problems later.

The adage "pay now or pay later" has the ring of truth when it comes to closing a pool properly each winter. Spending a little time and money now saves you both later.

The reason is simple. Properly balancing pool water prevents surface damage such as stains from metals and scale. As the temperature drops, water becomes more corrosive. Thus more calcium hardness is usually required. Even in cold water, algae and bacteria can grow, greeting you with a green pool in the spring. Chlorine demand also increases. Discolored and cloudy water (yuck!) replace the sparkling, clean pool you enjoyed this summer.

About covers. Be sure to cover your pool with a sturdy, safe winter cover to prevent accidents and contamination of the pool while it is closed.

The complete BioGuard® Winter Care Program has the products you need to properly close your pool. Not sure what you need? Rely on your BioGuard dealer's expertise. He or she can perform a computerized analysis of your pool water when you are ready to close and recommend the correct prescription for your pool.
