Riding for kids

By Colin Gibson

Georgetown resident Pat Palmer is well known in the business community - not just locally, but throughout the province.

He is a top executive with the Royal Bank and is President of the Ontario Chamber of Commerce.

He is also a motorcycle enthusiast, a hobby he shares with his wife Marg, an employee of the Royal Bank in Rockwood.

Combining his business acumen with his admitted love of motorcycling would seem a natural match and thus was born the 1st Annual Ontario Chamber of Commerce motorcycle ride for the prevention of abused children.

As Palmer explained, "As parents and grandparents, Marg and I believe strongly in the work of the Institute for the Prevention of Child Abuse and the need to decrease the risks for children in our society."

The target is 3,000 sponsored riders in the hope of raising in excess of \$100,000.

Motorcyclists and passengers taking part in the special ride will leave Toronto's Skydome this coming Saturday at 8:45 a.m., thunder down Highway 401 with an expected arrival time of 3:30 p.m. at Fort Henry in Kingston.

Registration is \$25 per rider and \$10 per passenger. All proceeds will benefit the Institute for the Prevention

of Child Abuse, a non-profit charitable organization.

Palmer has been overwhelmed by the response to the Ontario Chamber's venture.

"It's just so gratifying to be involved in something like this," he said. "A tremendous number of companies have come on board. The response has been just great. Registration forms are available in the Halton Hills area at branches of the Royal Bank or by contacting the Institute directly at 416-921-3151.

Ken Baker, President of the Georgetown-based Canadian Vintage Motorcycle Group, his wife and other club members will be taking part and he urges anyone wishing to contribute to the cause or get involved with the ride contact him at 877-0939.

The ride is supported by the Ontario Association of Chiefs of Police and Rotary Clubs of Ontario.

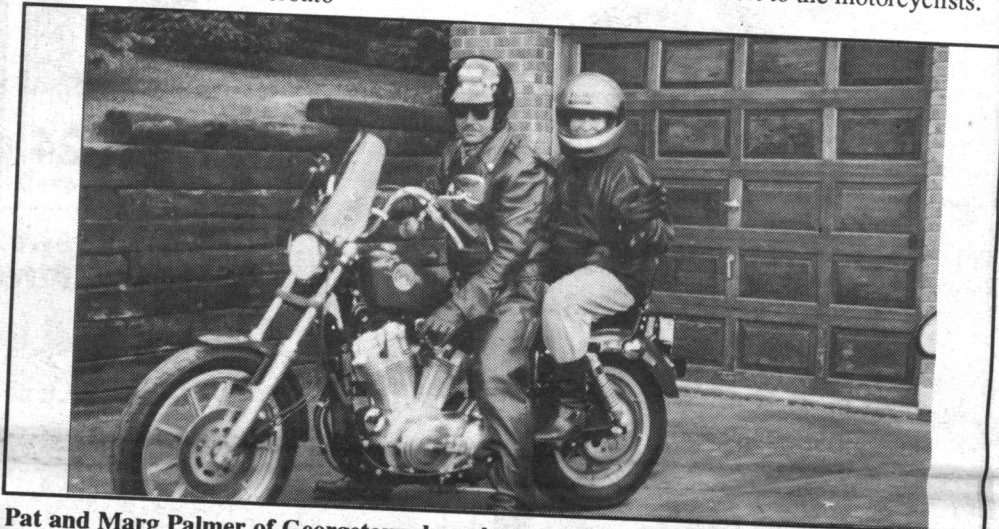

George Irwin, President of Irwin Toy Ltd. is the campaign chairman and Toronto

Ken Baker, President of the Georgetown-based Canadian Vintage Motorcycle Group (CVMG) and his wife Debbie will also be taking part in next Saturday's special ride.

Police Chief Bill McCormack is the honorary chairman. Former Ontario Lieutenant-Governor, the Honorable Lincoln Alexander has also lent his support to the worthy enter-

prise. Marked police cruisers from various jurisdictions in Canada and the United States will participate in the ride, providing a colorful escort to the motorcyclists.

Pat and Marg Palmer of Georgetown have been enjoying the 'feel' of the road as motorcycle enthusiasts for years. They will lead rally riders from Toronto to Kingston this coming Saturday in support of the Institute for the prevention of Child Abuse.
