The salon's ear piercing specialists are Jeannette and Alda, who use a "gun" to pierce the earlobe with a 10K gold-plated or stainless steel stud. This procedure reduces the risk of cross infection.

In addition to hair and beauty treatments, Carol's now provides primary foot health care for those who cannot care for their own feet, or for those who need diabetic foot care, or who have foot problems such as corns, calluses, ingrowing toenails and thickened toenails that can cause pain and discomfort. Primary foot health care is provided by Isabel Brown, R.N., BScN, who, in addition to her basic nursing degree, has completed a course in advanced foot care at Sheridan College. Treatment is by appointment only, from Tuesday to Friday.

For customers' convenience, the salon is open from 9 am to 5 pm Tuesday to Friday, and until 3 pm on Saturday. Except for staff vacation times, Wednesday and Friday evenings are open until 8pm. It may be possible to accommodate clients without appointments, but to avoid disappointment a reservation is recommended. So remember, for friendly, professional services for the entire family - please call 877-2918 - we look forward to welcoming you to Carol's.

have a coffee or drink while you talk matters over, or perhaps discuss proposals for dealing with them. You'll find all of these services, and more, listed in the pages of the directory.

Everyone is aware of the the parking meters in downtown, but did you know that there are also three FREE parking lots available? For their locations, check the map in the centerfold of the Business Directory. The map in this folder can also help you to locate such places of interest as Remembrance Park, Knox Church, the Royal Canadian Legion, and the Public Library and Cultural Centre. In addition, you may find this downtown map helpful for any visitors who need directions on how to get to Georgetown. If this hasn't piqued your curiosity already, how about all of the stores and offices located in the downtown area?

If you want to contact your MP or your MPP, look under Miscellaneous, also look under this heading if you need to renew your driving license or vehicle permit. You can find a shoe repairer, a dry cleaner, or a video rental store on Main Street, and of course there are shops for foodstuffs, boutiques, gifts, sporting goods and sports cards, books, plus variety stores and discount stores that are listed.

Then there are the beauty salons, photography studio, piano studio, and the pharmacy and post office. Indeed, there are too many stores and offices downtown to list them all in this article, so do get your copy of the Business Directory. This folder, which is produced by the Downtown Georgetown BIA, will give you the information you need about the many everyday services available to you in this area. It will also show you the special annual events that take place downtown.

So come downtown and savour the laid back atmosphere of small town Ontario. We look forward to seeing you.
