

Blue Jays not to be denied

By Rod Beaumont

Congratulations to the Blue Jays, another year, another pennant. While most of us were nail biters in the stretch drive, the Canadian team went on a rampage racking up victory after victory to win the American East title.

Known affectionately in the U.S. as those "Damned Blue Jays", let's hope they give our neighbors down south the true meaning of free trade, bringing another World Series to

Rodent's Racket

the north.

The "Ughoos" known as the Argos to those who have faith (though few and far between), showed why they deserve last place in the CFL East.

Here's hoping the CFL scraps the East/West format and next year only allows the top six teams in the league to get playoff berths. This would

eliminate the embarrassment of a 4-win team getting a shot at the playoffs instead of dodging bullets.

Locally, the hockey season is upon us. Good luck to the Georgetown Chrysler Raiders in their first season in the Provincial Junior A league.

Although group participants remain the same, with only the addition of Hamilton, it should make the season more competitive with a national title at stake.

To all our Rep teams and all youths in the minor hockey system, here's wishing you a great season full of enjoyment and success. I'll see you at the rink.

Jaded Bunch captures crown

By Laura Given

Well, another season has come and gone.

With much excitement and a lot of enthusiasm and perfect weather for the playoff weekend.

The Consolation game was won by the Fallen Angels 9-8 over (24K) after extra innings were needed to break the tie.

The Championship game was won by the Jaded Bunch 6-4 over Catch the Wave.

I had a great time doing the write-up this year and hope to be doing it again next year. I hope you enjoyed reading them as much as I did writing the.

Look forward to seeing you all at the banquet and on the fields next year.

Arnies takes third GLFFL title

Ladies Flag Football

By Leanne Fournier

Arnies Body Shop captured two titles this weekend with a championship win over CIBC and became the first team to win three straight championships. I guess you could say they are a dynasty.

The wet weather on Sunday did not appear to dampen the spirits of both squads as both defenses rose to the occasion. Both teams battled back and forth until second string QB Noreen Atkinson threw an errant pass to Arnies defender, Judy Grinberg.

As Caroline McMillan moved her offense towards

the goal line, she looked for sister-in-law Michelle McMillan in the end zone, but Leanne Fournier picked off the ball to halt the drive. Late in the second quarter, the game looked to be a stalemate but Kelly Cunningham snagged an interception for a 40-yard touchdown return. McMillan converted to give her team a 7-0 half-time lead.

The second half saw a great defensive struggle as both QB's had difficulty finding open receivers. Tara Burroughs, rookie sensation

added a new dimension to the quarterback role for CIBC as she blasted past Arnies defenders.

Arnies got the ball back and a key pass was the TSN turning point. McMillan threw the ball up to the corner and Tara Burroughs looked to be in position to pick the ball off but great concentration by Sue Ferguson enabled her to catch the ball and step in for six to seal the victory.

Wrap-up Night: Friday, 7:30 p.m. at Time-out Roadhouse.
