

## Rebels senior volleyball is "set" for season

By Mike Zrostek

Georgetown District High School senior Rebels volleyball team has been readying themselves for the upcoming season by racking up some valuable playing games in three tournaments.

The most recent one saw

the senior Rebels finishing third in their pool at Pickering. Not bad, considering they only had seven players.

"We had a couple of guys missing," explained coach Bob McKay. "Dave Sands, who is one of the best play-

ers in the region, is nursing an injury and is a couple weeks away. Gavin Glaser is also out and Matt Brain was at a decathlon in Hamilton. So considering the players missing I think we fared well."

The Rebels lost two to

Riverdale 9-15, 13-15; split with Glen Forest 15-8, 14-16 and Aurora 13-15, 15-10. After the Rebels found out they weren't going to make the playoffs, a relaxed squad said McKay went out and defeated Unionville (which won the pool) 15-3, 15-13.

McKay thinks the senior squad has a real good shot at finishing in the top two of the seven-team Richardson division with consistency being a key.

"We have to play at a consistent level regardless of the opponents play. The guys served well but receiving the serve needs to be improved on and we weren't as quick as we wanted to be last Friday," said McKay.

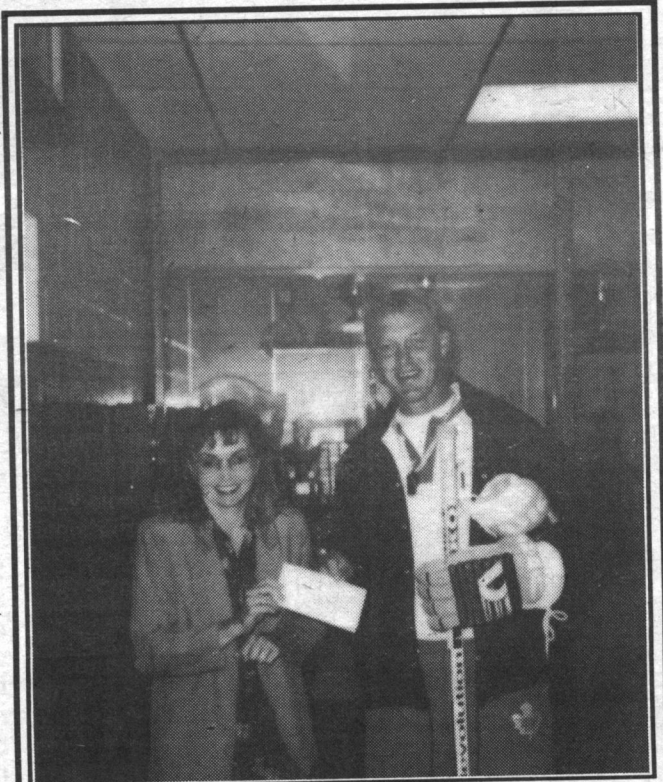

Right now, getting Sands back is a major factor on how far the Rebels will go this year.

"Sands is a leader on the court. We're like a ship without a rudder without him, so we need a person to step up and take charge," said McKay.

In their 35 tournament games this year, the Rebels are 26-9 losing three games by only six points at the Pickering tournament which bodes well for the upcoming regular season.

"Getting from 10 to 15 points is where we need to improve but there is lots of talent here and the experience will come with time," said McKay.

The junior and senior Rebels are home Thursday against Milton.

### Lucky winner

## Pee wee bowlers popping pins

To learn to "Bowl the Champion Way" has started to reach into the pee wee (8 and under) division at Georgetown Bowl.

Jason Pshyk 373 (138) and Patrick Hole 348 (130) are putting great numbers on the chart and are showing a standing equal to the Top eight in the bantams.

The bantam section is really producing a mighty battle with Brendan Louth fighting to stay ahead of Richard Gostlin who is slowly closing the gap.

On Saturday, Gostlin rolled a 545 (209) triple while Louth came up with 536 (210).

Kelly Klimsiak is still

maintaining her lead in the girls' section. Kelly Klimsiak 436 (174), Lisa Clarke 430 (161) and Melissa Sheppard 428 (187).

In the junior division three-way supremacy battle, Matthew Walker is still holding his 200 average with Paul Larocque 199 and Adam Scuralli 188. Lynn Moreland continues to easily hold her top ranking.

The senior Y.B.C. division continues to be the toughest section. Ryan Norman has pulled into second place in the averages behind Ryan Martin (213) by rolling a 691 (263) triple. Cindy Clarke is still coasting along in first place.

With a few places still open to complete the team rosters, it is not too late to join to learn to "Bowl the Better Way". It is up to the parents to give their children the opportunity by phoning 877-9922.

For all the Y.B.C. bowlers and their families and parents, a Thanksgiving appreciation. This Sunday, after 6 p.m. they will receive one free game for each paid game bowled.

## Optimist run a success

Nearly 200 children from 8-to-13 years of age from the Georgetown, Acton and Milton areas participated in the 1993 edition of the Optimist Club of Georgetown cross-country run, held last Saturday at Cedarvale Park.

Fortunately, the heavy rain of Friday and early Saturday morning had stopped and the cool weather was ideal for the races.

All of the runners won participation ribbons for their efforts, plus well-earned free hot chocolate, served up by our Optimist catering team.

Gold, silver, and bronze medals for the first three finishers in each category were awarded after each of the 12 events covering ages 8-to-13 girls and boys.

Individual and team trophies

were well spread out among the schools, however, an Optimist tip of the hat to coach and runners from W.I. Dick, which led the way with three team trophies.

Noting its "Friends of Youth" theme, the Optimists wish to thank, especially, the teachers/coaches who not only coordinated the school side of things, but showed up on Saturday to support their students and keep records, etc. With all the reviews being done regarding education, it is gratifying to report the positive side and have so many schools represented at the cross country event.

Also of interest and gratifying was the still modest but larger number of 13-year-old participants this year. By this measure at least, our youngsters are gaining ground.

## Georgetown figure skaters pass summer tests

The following tests were passed in off season schools by members of the Georgetown Figure Skating Club.

Figure Tests: 3rd - Mark Fedchyshyn; 4th - Brooke Remenda; 5th - Lesley Watson; 6th - Danielle Dembie; 6th - Mike Fedchyshyn; 6th - Rosie Gimeno; 8th - Katie Cochrane.
