NIAGARA FALLS "FESTIVAL OF LIGHTS"

For the past thirteen years, Pathway Tours has taken thousands of motorcoach travellers to witness this world renowned display of beauty. This year Beeline Travel is offering this motorcoach trip for the opening weekend, November 20/93 for three days, with a departure from Georgetown. The Falls, a natural beauty at any time of the year, come alive and are magically transformed into a sea of colorful lights, animated displays and entertainment. The winter beauty of Niagara Falls is unmatched with lights illuminating both sides of the Falls and the thundering rapids create an incomparable sight and sound experience.

On the opening weekend a wonderful parade, complete with fireworks and the "flip of a switch" to officially turn on the lights and welcome the stars who have come to perform for this opening weekend. On November 20th, Charley Pride and Boots Randolph will perform the first show and on November 21, Tommy Hunter, George Jones and Janice Fricke will continue with the entertainment of this wonderful opening weekend of Festival of Lights.

Special Christmas project

In 1992, Holy Cross school in Georgetown was looking for a way to make Christmas a little more special for some people and thereby enrich all of our lives.

The school embarked on a campaign with Mrs. Susy Lorito and Madame Julie Goulet, teachers at the school, Mr. Bob Soroko, the principal and Mrs. Tracey Craig, the manager of Canadian Tire.

Boxes were set up at the school and at the cash counters of the store, asking people to share their loose Canadian Tire money.

By simply depositing the

5¢, 10¢, 50¢ and \$1 bills, the school was able to accumulate a great deal.

This money was then converted into buying power for toys at Christmas. Students, teachers and parents then, as in this year, help to unload the merchandise and deliver it to the Georgetown Love in Christ Food Bank, which accommodates families with food, clothing and in this case, toys for Christmas and throughout the year.

Holy Cross School wishes to again sincerely thank the generous community for always finding "that little extra" to help each other when in need.

Craft sale at GDHS Saturday

By Bryn Davies

This is a very busy week at Georgetown District High School.

On Monday, as a follow-up

Principal's Corner

to our all candidates' assemblies, GDHS students cast their ballots for the candidate of their choice. At the time of writing, the turnout and the results were not available. It will be interesting to see if the students' choice reflects that of the wider community.

A long-standing tradition at GDHS is to recognize students who have made a special contribution to the school or who have distinguished themselves academically. This week, 47 grade 10 students, 56 grade 11s, 37 grade 12s and 27 OAC students will be entered on our 1992-93 Honor Roll for having earned 80 per cent or better in their courses last year.

An additional 43 OAC students from last year who are now in University will be recognized as Ontario Scholars at

Commencement on Friday, November 5. Special thanks to Ann Campbell for her many hours of hard work to make this year's assemblies so successful.

This Saturday and Sunday from 10 a.m. to 4 p.m. the GDHS Tech Department will host its 6th annual Craft Sale. Over 130 vendors - many of them new - will be on hand. Come and enjoy the atmosphere, get some great deals on hand-made gifts for Christmas, and help support student projects at our school. Admission is \$2. Children are free.

This Friday is the monthly meeting of our Parent Advisory Group. This week's agenda includes a discussion of student smoking, an analysis of our priority on attendance, and a review of the channels to go through in order to have questions or concerns answered.
