

Minor Pee Wees topped

The Georgetown Minor Peewee Raiders traveled to the Burlington Central Arena where they suffered a disappointing 5-1 loss to a fast-skating and hard-hitting Burlington team.

The first period Georgetown was outshot 11-2 but strong goaltending by Ryan Carter kept this period scoreless.

Good effort by Ryan Bobor in the second period resulted in Georgetown's first and only goal of the game, assisted by Josh Travers and Matt Hotham. Burlington went on to score three goals in the second period, and 2 more in the third.

Hurricanes undefeated streak reaches nine

The Halton Major Novice Hurricanes had a busy week with three games; winning two and tying one. The Hurricanes now have gone nine straight without a loss.

Against Chinguacousy the Hurricanes took awhile to get going offensively but stellar goaltending by Ryan McManus kept the score close.

Led by a hat trick from Ryan Ellis and a three-point night by winger Chase Trull, the Hurricanes won 8-3. Aaron Cowey, Lucas Schott, Clem D'Orazio and Mike Ley had singles.

Friday, the Hurricanes made the long trip to Barrie for a tightly-played game. Scotty Enair and Adam Sturgeon helped minimize the damage

on the scoreboard in the first before the offense got going.

Ley was flying on the wing scoring two goals despite getting a 10-minute penalty for a late shot.

Ellis had two, Lucas Schott scored a single while Josh Vanderbreggen had two assists in the 5-3 win over Barrie.

Saturday the Hurricanes

came out a little sluggish and had to battle back from two goals down to tie 2-2 against a high flying Chinguacousy squad.

It appeared the Hurricanes won the game when Schott scored with a minute left. Chinguacousy tied it with 15 seconds left in the game.

Ellis and Trull scored the first two goals of the game.

Senior Rebels grand in Grand River

By Mike Zrostek

Georgetown District High School senior boys volleyball Rebels continued their outstanding play winning the consolation final at a tournament at Grand River.

In the 17 games the Rebels played they went 11-6 and the six games they lost weren't by more than five points.

The Rebels who are 4-0 in Halton league play faced some tough competition and fared well despite still not having Dave Sands in the line-up and Gavin Glaser nursing a sore ankle.

"We met some good teams, there wasn't one weak link in our pool, which was good for us," said coach Bob McKay.

McKay pointed out the Rebels faced two teams

from Hamilton (Delta and Barton) they have to beat if they are going to do anything at GHAC (Golden Horseshoe Athletic Conference).

GDHS played close tight games against both schools in the round-robin.

Against Delta they won the opener 15-12 then dropped two close games 12-15 and 13-15.

Barton, who McKay says is "a little stronger", had to fight hard to beat the Rebels. GDHS lost 11-15 rebounded to win 15-9 and then lost the third game 12-15.

The Rebels defeated schools from Guelph, Ingersoll and Woodstock to finish 3-2 in the round-robin.

In the consolation final the Rebels crushed Startford in a 20-minute match by scores of 15-1 and 15-9.

McKay says this week is a big test for the Rebels in league play. They travel to Burlington Central to face last year's Halton champs and then play

M.M. Robinson of GDHS is involved in a Burlington, presently second in the Rebels division. tournament Nov. 6 in Orangeville.

Acton Sabres win, tie and lose

It was a week of variety for the Acton Nellis Construction Novice 1 Sabres as they tied and lost to Arthur and beat Elora.

The first game against Arthur ended in a 3-3 draw in Acton as the Sabres came back three times.

Mike Dube, Mark Pawluck and Steve Atkinson scored giving the Raiders a perfect record of 2-0-2 to start the season.

The next night would end the perfect start as Arthur won the return match 3-1 with Dube scoring the lone Acton marker.

Acton rebounded against

Elora on Sunday with a 8-1 thrashing, as the Sabres scored five unanswered goals in the final three minutes of the game.

Andrew Pembleton, John Field and Mark Pawluck scored two goals each, while Adam Brouillard and Dube also found the net.

Steve Atkinson had three assists, Pembleton, Field and Shawn Prentice each had two assists. Mike McDonald, Chris Jowett and David Lyons had single assists.

Max Schaefer and Jason Strong were solid in net for Acton who are now 3-1-2.

Halton Hills This Week 873-2254

Steamatic of Halton

Air duct cleaning can help reduce allergies

If a member of your family suffers from allergies, asthma or hay fever, you can help improve the person's health by having your home's duct system professionally cleaned.

While lower winter temperatures spell an end to misery for weed-sensitive Halton Hills residents, it often marks the beginning of increased problems for people allergic to mold, dust and mildew. That's because when home heaters are turned on, air is often forced through ducts filled with dirt, dust and dust mite waste. Now is a good time to have your home's ducts cleaned.

A home's central heating and air conditioning system provides an ideal environment for fungus and bacteria growth and the spread of dust mite waste through the air. These impurities can seriously aggravate allergies, asthma and hay fever and cause unpleasant, musty odors.

"Our independent tests prove that we remove over 80 percent of the mildew, mold and bacteria from homes and offices. We also remove dirt, household dust and other contaminants that cause itchy, watery eyes, sneezing, runny or stuffy noses, wheezing, coughing and shortness of breath and other allergic reactions," according to a service representative of Steamatic of Halton.

A clean air circulation system reduces household dust, inhibits stale odors, improves air flow by up to 30 percent and can lower a home's energy costs.

Steamatic Incorporated is an international leader in the multi-billion dollar cleaning and restoration industry. Today the company oversees nine company-owned operations and

more than 200 franchise businesses spanning the United States and 11 foreign countries.

Since its origination in 1968, Steamatic has developed its own line of carpet, furniture, drapery and air duct cleaning equipment that carries 10 U.S. patents. And, through extensive research and development efforts, the corporation produces its own line of proven chemicals and cleaning compounds.

Today Steamatic provides 11 diversified commercial and residential cleaning services including air duct cleaning, fire, water and smoke damage restoration, carpet, furniture, ceiling, wall and drapery cleaning, deodorization and decontamination, wood restorations and corrosion control.

Steamatic of Halton has been serving Brampton, Georgetown, Acton and Milton customers for the last 6 years and can be
