Elora vs. Acton in Acton

Acton 8, Elora 1 - The second meeting of the season for the two teams complete back-to-back 8-1 victories for Acton. Mike Dube led the goal-scorers with a hat trick, while Shawn Prentice had a goal and two assists.

Other Acton goals scored by John Field, Adam Brouillard, Andrew Pembleton and Mark Pawluk. Assists also went to Matt Wolfer (2), Sean Kirk, Steve Atkinson, Mark Pawluk, Jon Newby and Mike McDonald;

Oct. 29 - Acton vs.

Erin/Hillsburgh in Erin

Acton 3, Erin 0 - Acton goaltender Max Schaefer stonies Erin for the shutout bringing Erin's undefeated season to a halt. The win for Acton puts them in a tie for first place with Erin as both teams have five wins and only one loss with two ties so far this season.

Acton goals scored by Mike Dube, Andrew Pembleton and Sean Kirk. Assists went to John Field, David Lyons and Adam Brouillard.

Oct. 30 - Acton vs. Milton in Milton

Acton 8, Milton 1 - Acton pushes its winning streak to four games outscoring its opponents 27 to 3. Acton's season record is 6-1-2 and is either tied or alone in first place. The line of Andrew Pembleton, John Field and Jon Newby led the scoring with 11 points. Pembleton notched the hat trick and one assist, Field had four assists while Newby got a goal and two assists.

Other Acton goal scorers were Mike Dube (2), Adam Brouillard and Chris Jowett. Other assists went to Mark Pawluk, Nick Mastro and Steve Atkinson.

Minor Hurricanes a spirited squad

An alive and kicking Halton Minor Novice AAA Hurricanes team played spirited hockey in a tie against Burlington and a solid win over Stoney Creek in action last week.

Last Thursday the Hurricanes dominated the Burlington team throughout the contest with a flurry of opportunities, thanks to some good hustle.

Todd Gilmore slipped the

puck in the short side for the only Hurricanes goal of the game.

Adam Kemp and Andrew Acarie played good games for the Hurricanes.

Saturday at Stoney Creek goalie Tim Johnston was the story for the Hurricanes stopping three Stoney Creek breakaways to help his mates in a 5-3 win.

The Hurricanes aggressive forechecking was

another key in the win as Andrew Alarie scored two goals, with singles from Nathaniel Wicken, Tyler McMaster and Darren Trull doing the damage for the Hurricanes.

Adam Kemp, Danny Syuret, Robert Sgarbossa (who also was one of the stars in the win), Peter Schultz and Gilmore drew assists.

Acton Pee Wees thump Brampton

By Ellen Piehl
Special to HHTW

Good offense and good goaltending were the keys to success as the Acton Galvcast Pee Wee hockey team defeated Brampton 5-1 in exhibition play at the Acton Community Centre on Saturday night.

Acton opened the scoring mid-way through the first period on a power play

when David Lajeunesse jammed the puck through the Brampton goal tender's legs.

Almost a minute after Brampton tied it up at one, Jason Christopher scored from the slot area to give Acton back the lead.

Acton basically dominated offensively in the second period.

Kyle Artem blasted one

by the Brampton goal tender early in the period to give Acton a two goal lead.

Devon Fraser scored moments later when he lifted the puck over the goal tender's shoulder and into the net.

Fraser scored the fifth goal for Acton, his second of the game, mid-way through the third to capture the victory.

Lady Rebs impress in Kitchener

By Mike Zrostek

Led by Alison Lipp and Andrea Le Bannister the Georgetown District High School Rebels senior girls basketball team captured the consolation championship at a King City tournament in Kitchener.

After losing their opening match to St. Elizabeth of King City, 44-36, the Rebels took two straight in impressive fashion.

Lipp pumped in 21 points in a 55-33 win over Sutton and then GDHS destroyed Don Mills 67-43 in the consolation final.

Lipp was named to the tournament all-star team scoring 50 points in the

three games while LeBannister added 39 points in three games.

Coach Gary Southworth said it was a great team effort and gave a lot of credit to the team's defensive play.

"They played very well, pressing all game both man and zone which gave us lots of turnovers that led to a lot of easy lay-ups," he said.

"We scored a lot of points thanks to the defense, a total team effort."

Southworth hopes the play of the Rebels will help them in their quest for a playoff spot in league play, where they are presently 2-4 on the year.

"All the pieces are falling together, they really played well and I hope it will continue because I think we need to win two of our last three to make the playoffs."

The Rebels played M.M. Robinson Tuesday (results weren't available at press time). Thursday they play Assumption and close out the season at GDHS against E.C. Drury this coming Tuesday; a game that may decide if they make the playoffs.

Air duct cleaning can help reduce allergies

If a member of your family suffers from allergies, asthma or hay fever, you can help improve the person's health by having your home's duct system professionally cleaned.

While lower winter temperatures spell an end to misery for weed-sensitive Halton Hills residents, it often marks the beginning of increased problems for people allergic to mold, dust and mildew. That's because when home heaters are turned on, air is often forced through ducts filled with dirt, dust and dust mite waste. Now is a good time to have your home's ducts cleaned.

A home's central heating and air conditioning system provides an ideal environment for fungus and bacteria growth and the spread of dust mite waste through the air. These impurities can seriously aggravate allergies, asthma and hay fever and cause unpleasant, musty odors.

"Our independent tests prove that we remove over 80 percent of the mildew, mold and bacteria from homes and offices. We also remove dirt, household dust and other contaminants that cause itchy, watery eyes, sneezing, runny or stuffy noses, wheezing, coughing and shortness of breath and other allergic reactions," according to a service representative of Steamatic of Halton.

A clean air circulation system reduces household dust, inhibits stale odors, improves air flow by up to 30 percent and can lower a home's energy costs.

Steamatic Incorporated is an international leader in the multi-billion dollar cleaning and restoration industry. Today the company oversees nine company-owned operations and

more than 200 franchise businesses spanning the United States and 11 foreign countries.

Since its origination in 1968, Steamatic has developed its own line of carpet, furniture, drapery and air duct cleaning equipment that carries 10 U.S. patents. And, through extensive research and development efforts, the corporation produces its own line of proven chemicals and cleaning compounds.

Today Steamatic provides 11 diversified commercial and residential cleaning services including air duct cleaning, fire, water and smoke damage restoration, carpet, furniture, ceiling, wall and drapery cleaning, deodorization and decontamination, wood restorations and corrosion control.

Steamatic of Halton has been serving Brampton, Georgetown, Acton and Milton customers for the last 6 years and can be
