

Turkey supper was fabulous

By Betty Sojka

The Annual United Church Turkey Supper held this past Saturday was nothing short of fabulous. There was so much food, and all so good. Homemade pickles and pies made the meal extra special. With three separate sittings of over 70 people at each sitting, plus the folks that came for takeout, a lot of people were fed Saturday night. It took an army of volunteers from ticket takers,

Gas bar robbed

Police are investigating possible links between Sunday's robbery at the Cango Gas Bar at Steeles and Trafalgar in Halton Hills and a similar occurrence in Milton at the beginning of the month.

Shortly after midnight, a man drove up to the gas bar and waited for the attendant to fill the gas tank. The man followed the attendant to the kiosk, where he pulled a gun and demanded money. According to a police report, a small amount of money was stolen, along with a carton of cigarettes.

The man was last seen driving westbound on Steeles Ave. The vehicle, stolen from Guelph, was recovered a short time later at Hwy. 25 north of Hwy. 401.

Police are looking for a white male, between 30-40 years of age, approximately 5'7", 150 lb., with short dirty blond hair and a sparse mustache. He was wearing a brown baseball cap and a medium length brown or maroon nylon jacket.

Line dancing at the community centre will begin this Tuesday, continuing on Tuesdays thereafter, from 7 to 10 p.m. Classes are set up so that two dances will be taught each night. This is great because you don't have to worry about missing one week. You'll just learn something new the next time. Laurie Dupuis is teaching the class for only \$5 per night, and has 80 dances in her repertoire. That's a lot of dances to learn! For more information, please give Laurie a call at (519) 833-2756.

NEW ZEALAND...

is more than just a vacation experience. It is a land that is both thrilling and serene. It can fulfill an adventurer's quest for daring or uplift and replenish those in need of rest and relaxation.

Part of the intrigue is found in New Zealand's wide open spaces, with invigorating clean air and pure, crystal-clear water. It's a land of lush landscapes and pristine forests, with majestic fjords and white sandy bays. From the volcanoes in the north to the glaciers that top the alps in the south, visitors are always awed by the exquisiteness of the country.

It is possible to see some of the best of New Zealand on a two-week holiday by driving around its North and South Islands, but for travellers with more time - the rewards are great.

Rotorua is famous as a cultural focus for the Maori - the indigenous people of New Zealand - and for its thermal fields, geysers and mineral waters.

The capital city of Wellington has a picturesque harbour and many fine restaurants. It is also the place to catch a ferry to the South Island.

Set in the majestic Southern Alps, the lakeside resort of Queenstown is surrounded by the lofty peaks of The Remarkables, as well as picturesque farmland and thick alpine forests.
