

Police seeking Kennedy vandals

Released by Sergeant Rod Cliffe

It appears there were two motives behind a break-in at a Georgetown public school. One was to steal computers, but the other reason is less obvious.

At about 3:30 a.m. on Oct. 30, a west door window was smashed at George Kennedy School, 75 Weber Dr. The building was then entered and \$6,000 worth of MacIntosh computer equipment was removed. Normally the story would end here.

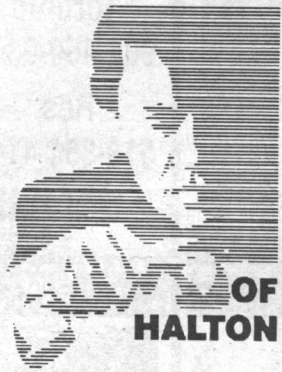

Whoever is responsible for this burglary also decided this K-5 school should be destroyed. A fire was set at the lost and found cupboard. It spread to the ceiling tiles above a hallway before it apparently extinguished itself.

Crime Stoppers would like to help Halton Police solve this case before another similar crime occurs and someone is hurt. A call from you advising of possible suspects is all it could take.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000. You need not give your name and your information will be treated with complete anonymity.
