THE BRADFORD EXCHANGE

"Handle with Care" Too tempting! A big, mysterious box delivered by that familiar mailman ... all kinds of string and tasty cardboard for teething ... and the heavenly scent of delicious food inside! These four adorable golden retriever pups have discovered that teamwork is the key to success in this delightful new work by artist Carolyn Jagodits. Porcelain. 20.9 cm.

"Ontario: White Trilliums." Have you ever had the chance to admire the lovely white trillium early in spring? Canadian artist Don Leger's marvelously detailed nature study may put you in mind of hiking in the north woods. This delicate wildflower, the official floral emblem of Ontario, is expertly rendered along with a pair of tiny red-breasted nuthatches - a species very much at home in Ontario. Porcelain. Embellished with a decorative 22-karat gold border, as well as a floral emblem inscribed with the name of the province. 20.9 cm.

Montgomery's of Georgetown is an authorized Bradford Exchange Dealer and carries a large selection of current and back issue collector plates plus plate frames, hangers and stands.
