Toyota Canada Inc. provides this simplified schedule of recommended maintenance services specific to 1989 and subsequent model year cars and light trucks.

Periodic and specific service prices include parts, lubricants and labour charges. The service interval for the scheduled maintenance is determined by the odometer reading or the time interval, whichever comes first. As an owner of a Toyota vehicle, please ensure that each service interval is performed and recorded in your Owner's Guide To Maintenance And Warranties booklet.

PLEASE NOTE: APPLICABLE TAXES ARE NOT INCLUDED.

### LUBRICATION \$25.88
