Business of The Year sought by Chamber

One of Halton hills Chamber of Commerce's most important community projects is the annual Business of The Year award which recognizes the ongoing contributions made by our local businesses. Since it's inception in 1980, the award has been bestowed on a broad spectrum of businesses from the small one person operation to some of our largest industrial concerns.

To qualify for this most prestigious award, the business must meet the following criteria; display good business ethics, made a significant social and economic contribution to the community, be a Chamber member in good standing and be located in Halton Hills.

Nominations are now being taken. These will be reviewed by a selection committee appointed by the Board of Directors. All nominations from previous years are automatically submitted to the selection committee. The choice of the selection committee is submitted to the Board for final approval.

If you would like to nominate a business from Halton hills, please send a letter describing the company and why you think they qualify for this award. All nominations are treated in the strictest confidence. Mail to Halton Hills Chamber of Commerce, P.O. Box 111, Georgetown, L7G 4T1 or bring to 174 Guelph St.

Deadline for nominations is Dec. 16.
