The hospital will be running a tree-lighting campaign at the hospital until Dec. 9th to help raise \$15,000 for the machine. photo by Simon Wilson/HHTW

Student exchange program

By Ellen Piehl
Special to HHTW

If you are a high school student who has always fantasized about visiting another country, then the American Scandinavian Student Exchange (ASSE) may be for you.

The ASSE International Student Exchange Program is affiliated with the Swedish and Finnish Ministries of Education.

ASSE gives Canadian high school students from 15 to 18 years-of-age an opportunity to spend an academic year or a summer holiday in another part of the world.

A student qualifies on the

basis of academic performance and character.

The student must also have the desire to experience life in another country with a volunteer host family.

The host families are screened to provide a pleasant environment for the student to learn the culture and language of the host country.

ASSE also gives Canadian families an opportunity to host a student from another country. Any students or families in the Halton Hills area who want further information about ASSE should contact John Hansen at 853-5082 or call ASSE-Canada: 1-800-361-3214.
