

**Santa's
coming for
breakfast**

By Margaret Vint
Two weeks ago we held our Annual Open House. Many of you who visited the office to purchase Downtown Dollars told me how much you were enjoying your day downtown. The concept of an Open House, the hospitality, the variety of food and beverages being served, the great sales in the stores and the money you could save. Also, you took the time to pass along some general comments about the area. When speaking of what you like about shopping downtown, the reasons most often mentioned were: Service - "the people go out of their way to help you", Atmosphere - "you never feel you're being rushed", Variety of Goods and Services - "there really is a lot down here". One young lady said she had recently married and wanted us to know that "everything for our wedding was done downtown" and she was still receiving compliments from guests. Thank you for all of your comments, we do appreciate hearing from you.
This Saturday (Dec. 11th) is Breakfast with Santa. Always very popular with the children and one of my favourite events. I get excited thinking about it! I love to see the expressions on the children's faces as they anticipate the arrival of Santa Claus, and what a welcome he receives when he enters

Owner Linda Gilmore tries to win two-year-old man baked fresh from the Cakes Of Elegance oven

Located in the heart of Downtown Georgetown - the perfect setting for this sit-in bakery/tearoom. Decorated with antiques and pine to create an old-fashioned ambiance, families and workers alike enjoy the wholesome products baked on the premises.

Owners Bryan and Linda Gilmore have been in the food industry for 17 years. Having owned two successful Tim Horton Donut franchises for 10 years, the Gilmores believe that it is essential to have a clean store filled with good fresh products served by pleasant staff. In this case, the product was researched and developed by Bryan and Linda for two years prior to opening Cakes of Elegance.

They open at 6:30 a.m. with fresh homemade muffins and scones - at least 14 varieties. The cheese bran muffins and cheese scones are made without sugar and are appealing to a lot of customers. People stop in on the way to work and pick up a steaming hot cup of premium coffee, regular and decaffeinated.

They offer homemade fresh buns and breads served, Cornish pasties include flax, whole wheat, nickel and braided egg. Cookies, squares, tarts are constantly being baked fresh apples and our other products.

The Wedding Cakes of Elegance creates the creative ability. Their prices are less than you expect to receive a fresh cake that tastes so good, you'll want to share it with your guests. They have as far as Chicago and done cake decorating for years. Linda makes all the sugar frosting.
