Hall Board kept busy making plans

By Betty Sojka

Changing their meeting night from Tuesday to Wednesday, the Hall Board managed to discuss a lot of various items last week. The work of the plumber and carpenter recently hired were also discussed. Most of the carpentry work has occurred in the back part of the community centre. Here new drywall has been added where needed.

New floor tiles and wainscoting have brightened things up. A new submersible pump has been installed inside the well, along with a 250 water holding tank inside the building. This should solve the running out of water problems.

Next on the list is to remedy the sewage ejector problem. The equipment needs to be brought up to a higher usage capacity, with a backup.

There were a few of Ballinafad's United Church congregation who traveled to Georgetown on Dec. 19 for a 7 p.m. Christmas Carol service. The service was led by St. Andrews and Ballinafad's senior choirs. The birth of Jesus was related through story and song. Don't forget the Christmas Eve service will begin at 9 p.m. at Ballinafad's United Church.

On Sunday, the service will begin at 11:30 a.m.

Sponsors of the monthly newsletter are needed. There is a sponsor for February. Pick a month in 1994. It would be very much appreciated.

Folks are reminded to drop in to the Ballinafad General Store to pay for any reserved New Year's Eve Dance tickets. The dance is at a sellout point now.

Season's Greetings!

In the rush of events, we tend to overlook the important friendships that are the true basis of business relationships. One of the great pleasures of the Holiday Season is the opportunity to exchange greetings with those whose friendship and goodwill are valued so highly.

In this spirit it is a pleasure to say 'Thank You' and extend sincere appreciation for the very pleasant association enjoyed with you.

May a bright and prosperous new Year bring happiness to you and to yours.
