# School calendar changed again

By Bryn Davies  
GDHS Principal  
Special to HHTW

As a result of further Social Contract negotiations, the school calendar has once again been changed.

Parents should note that exams will now be from Friday, Jan. 21 to Friday, Jan. 28 inclusive. School will be closed Thursday and Friday, Feb. 3 and 4th as Rae Days. Further information regarding exams and the calendar will be sent home once the details are confirmed.

The school's annual Christmas Concert was a tremendous success. It featured our Grade 9 Band, the Wind Ensemble, the Stage Band, various smaller ensembles and the return of our Concert Choir.

Our Music Moms provided refreshments and there was a sing-along at intermission. As a result of the large turnout, the Music

Department raised \$600 to go towards items that our School Board does not normally fund. Special thanks to Ms. Wallace and Mr. Quinlan for their work with the Music students.

On Dec. 3 the entire student body attended an environmental assembly organized by student Neil Scuddard, as part of his Science and Society Independent Study.

Misty McDuffie of the Western Canada Wilderness Committee spoke about the impact of clear cutting Canada's temperate rain forests on the west coast. The 400 year-old red cedar stump, which has been part of her tour, is now in winter storage. We hope the school will have a chance to see the stump in the spring.

# Milk heists at Neilson's

Five men were arrested Monday as a result of an investigation into a scam involving the theft of unaccounted-for milk from Neilson Dairy on Guelph St. in Georgetown.

According to police, the milk was then sold to a Streetsville grocery store.

A 54-year-old independent truck driver for the company, a Scarborough resident, was taking extra milk and selling it to Foodport on Queen St. in Streetsville, police report.

He was charged with theft over \$1,000, possession over \$1,000 and conspiracy to possess stolen property.

Video surveillance revealed the thefts had been committed a number of times.

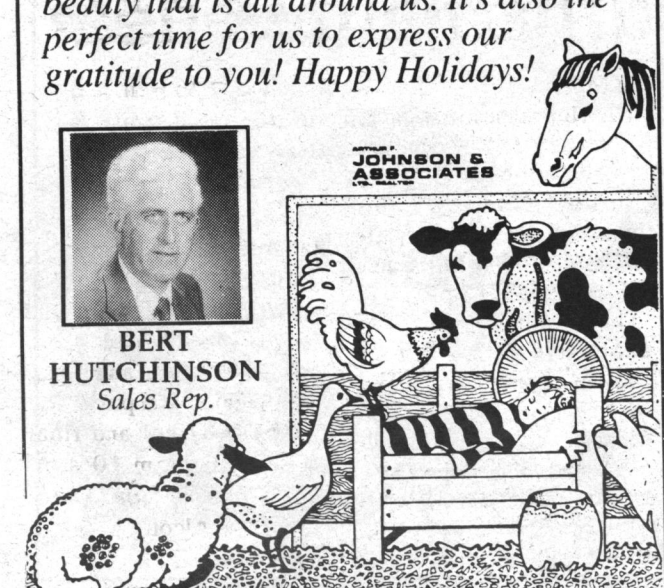

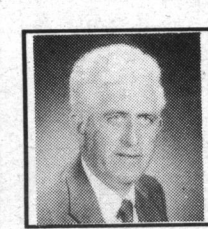

A 53-year-old stocktaker for Neilson's, a Guelph resident, helped load up the truck and was charged with the same crimes.

Another male Guelph resident, an employee of the truck driver's who also delivered the stolen property, was also charged with the same three crimes.

The two owners of Foodport, a 43-year-old Mississauga man and a 34-year-old Mississauga man were charged with conspiracy to possess stolen property.
