Young robbers nabbed by cops

Police were called to Lakeview Variety on Main St. in Acton Tuesday night when two young offenders entered the store demanding money. One of the youths brandished a handgun. They fled the store with an undisclosed amount of cash.

According to a police report, at 9:30 p.m., two male youths entered the

store demanding cash and one was armed with a handgun. The store clerk chased the youths after they fled the store, but was unable to catch them. Halton Regional Police Services officers arrived and located one youth almost immediately. The Tactical Rescue Unit (TRU) and the Canine Unit of Peel Regional Police were

called to locate the second youth.

A 15-year-old and a 14-year-old were charged with robbery, using a firearm, pointing a firearm, wearing a disguise and breach of probation.

They appeared in Ontario Provincial Court, Milton Division, Tuesday for a bail hearing.

Garbage \$bucks\$ now in effect

By Oksana Buhel

The final waste disposal program in Halton Region, partially funded on a user fee system, is now a thing of the past.

Starting today, (Saturday) a flat fee of \$5 per vehicle will be charged at the Halton Waste Management Site on Hwy. 25 north of Hwy. 5 for loads weighing less than 150 kg. (Previously, only waste loads which exceeded 150 kg. were charged on a \$150/tonne tipping fee scale.)

The decision to implement

the fees was made Dec. 1 after regional Commissioner of Public Works, Art Leitch, and Commissioner of Finance and Regional Treasurer, Joe Rinaldo, submitted a report recommending the proposition. (The Norjohn Transfer Station in Burlington charges \$5 per 100 lbs. and \$2 for every additional 20 lb. The Leferink Transfer Station on Armstrong Ave. in Georgetown, charges \$1.50 per bag and \$125/tonne if the amount exceeds five bags.)

The user fee will apply to all vehicles carrying waste,

recyclable material and yard waste.

The report stated an estimated \$500,000 will be generated in 1994 as a result of the new system. In addition, \$115,000 will be saved as a result of the reduced volumes handled by the contractor responsible for shuttling the waste to the tipping face and appropriate removal of recyclable materials.

The user fee is expected to decrease present traffic levels (approximately 200,000 cars annually) by 50 per cent.

"I WISH I'D LOOKED AFTER MY TEETH!"

Oh, I wish I'd looked after my teeth,
And spotted the perils beneath,
All the toffees I chewed,
And the sweet sticky food,
I wish I'd looked after my teeth,
I wish I'd been that much more willin'
When I had more tooth there than fillin'
To pass up gobstoppers,
From respect to me choppers
And buy something else with me shillin'.
When I think of the lollies I licked,
And the licorice allsorts I picked,
Sherbet dabs, big and little,
All that peanut brittle,
My conscience gets horribly pricked.
My mother, she told me no end,
'If you got a tooth, you got a friend'
I was young then, and careless,
My toothbrush was hairless,
I never had much time to spend.
Oh, I showed them the toothpaste all right,
I flashed it about late at night,
But up-and-down brushin'
and pokin' and fussin'
Didn't seem worth the time - I could bite!
If I'd known I was paying the way,
To cavities, caps and decay,
The murder of fillin's
Injection and drillin's
I'd have thrown all me sherbet away.
So I lay in the old dentist's chair,
And I gaze up his nose in despair,
An his drill it do whine,
In these molars of mine,
'Two amalgam' he'll say, 'for in there.'
How I laughed at my Mother's false teeth,
As they foamed in the waters beneath,
But now comes the reckonin'
It's me they are beckonin'
Oh, I wish I'd looked after me teeth!
