Great New Year's Eve party

By Harry Archer
Special to HHTW

The New Year's Eve Party turned out to be a huge success with a sellout crowd and competitive prices. A generous buffet was also provided. As I mentioned earlier, this had to be the buy of the year.

Congratulations are due to the organizing committee and helpers who turned the night into a real fun affair. Bill Hall, Linda Hayes and Cathy Watson were prize winners.

The initiation team will be having a practice Sunday at 2 p.m. The team would like to recruit some new members. Any volunteers?

The Ed Paterson Sr. darts tournament will be held on Saturday. Registration from 9-10 a.m. Play commences at 10 a.m. and the dance at 8 p.m. Proceeds from this event

Legion Lines

will go to the Heart and Stroke Foundation.

The annual Robbie Burns night will be held on Saturday, Jan. 22. Tickets available at the bar at a cost of \$10.

Euchre will resume this Friday at 8:30 p.m. Let's have a good turnout for this. New players are always welcome.

A scaled-down meat draw was held after the President's Levee on Jan. 1st.

Sylvia Fisher and Peter Smith were two-time winners. Other lucky winners were Monica Southon, Linda Buckley, Terry Bludd, Jim Ackers (shortstop), Isabel Jack, Marg Hodder, Nellie Bell, Leanne Hall, Debbie Sproule and Ted Savage.

GDHS teacher wins top award

By Bryn Davies
GDHS Principal

The Halton Board has announced that our Tech Director, Dave Lawrence, will be one of four recipients of the Board's Award for Creativity in Education. There were 21 nominees altogether.

Dave's contribution to the development of Tech programs at GDHS has been outstanding.

Under his leadership, Tech courses at GDHS have been updated to include the latest high tech equipment. We are one of the only schools in Ontario that has a state of the art computer-assisted router, a New Image hair-styling consultation program and a telecommunications satellite dish.

Through Dave's initiative, we have applied for special Ministry and Board support. As well, our Tech Department

sponsors our annual Craft Sale to support equipment purchases. We have also received several donations from local business and industry.

Our GDHS Technical Skills Olympics is also a source of pride. Every year, over 150 students and many staff and community members support this competition, with the winners advancing to regional, provincial and international levels. Last year, Mike Delouche, a Georgetown student, won a silver medal in the North American competition.

As well, we are proud of the fact that we are able to extend an invitation to the broader community through the Tech program. Over the past several years, the Canada Employment Centre has sponsored a Trades Exploration Program for people on unemployment insurance. Again, Dave's leadership and support have been influential.

Dave will be receiving his award at a Board meeting later this month. A cash award for professional development will also be well used by Tech department members.

This is the second time Georgetown teachers have received the ACE Award. Three years ago, Shirlene Vella and Sharon Cooke were recognized for their development of a Date Rape Program.

BEELINE TRAVEL

presents...

MANZANILLO

...a balmy Pacific fishing port located about 240 kilometres south of Puerto Vallarta, is graced with a warm, dry climate and constant breezes, year-round. The bays of Manzanillo stretch for 100 kms along the "Gold Coast" of Mexico's "Riviera".

When action beckons, play golf, charter a yacht for great sailfishing, or take a sunset cruise from the docks at Las Hadas, the famous white resort topped with turrets and spires. In the busy port of Manzanillo, shop for folk art and handicrafts across from the main square.

Later explore the surrounding region: take a tour of coconut and mango plantations one day, and on another, drive inland to the 18th century town of Colima. Save yet another day to drive north up the Costa Alegre to enjoy the beaches and seaside towns of Barra de Navidad, Tenacatita and the Careyes resort. Manzanillo can also easily be combined with a trip to Guadalajara.

For more information please call Beeline Travel, 873-2900.
