

**Robert Little Report**  
With Maya Barbir, Darya Barbir & Jennifer Elliot

Robert Little has started to sell popsicles to raise money for computers. The popsicles are only 35 cents each. The grade five students have been asked to help sell the popsicles, which is a great way to practise those math skills! About 100 popsicles are sold each noon hour.

Every Wednesday after school

the R.O.K. group members meet. The R.O.K. group is a group of grade five students who help kids solve their playground problems. R.O.K. stands for Reaching Other Kids.

Thanks to Mr. Dorsht, child and youth councillor, and Mrs. Denny, a grade four and five teacher, who made this group a success. R.O.K. members are: Jessie Brown, Ryan Gallagher, Chlöe Savage, Andrew Kilmer, Daryn McIntyre, Sandy Chapman, Adam Ahern, Corey Brock, Felisha Leger, Melissa Young, Rebecca Austin and Aisha Simpson.

Last Thursday the grade one students from Robert Little went to visit the Metro Toronto Zoo. They saw many interesting animals and learned more about how they live. We're glad they had a great trip.

**Rockwood Centennial Report**  
With Chris Williams

Wednesday and Thursday, June 3 and 4, the primary and junior students jumped for money. It was a time for skipping for the Heart and Stroke Foundation. The students raised over \$1,000 in the "Jump For Heart" fund-raiser, which was led by Mr. Lacey.

Today, the winners in our school's track and field day are going to face tougher competition, at the University of Guelph. This event, under the direction of Mr. Lacey, will provide grade seven and eight students with an opportunity to compete against other students in their age group.

This coming Thursday, Mr. Lacey and his "Quest Class" — class 7I — will be having a barbecue lunch.

Students will have some fun and will raise money for more school equipment in the process.

This Friday, the boys and girls three-pitch teams will be heading to other diamonds for the county competition. The girls, coached by Mr. Biggs, and the boys, with their coach, Mr. Rankin, will both be aiming at bringing back titles for the school.

**A REAL LEADER:** Warrant Officer II Karen Venema shows off the hardware she collected for taking the Leadership Award at the eighth annual Inspection & Promotions Day at the arena last Sunday.

*Ed and Brenda Hillier are proud of their daughters and are pleased to announce their graduations.*

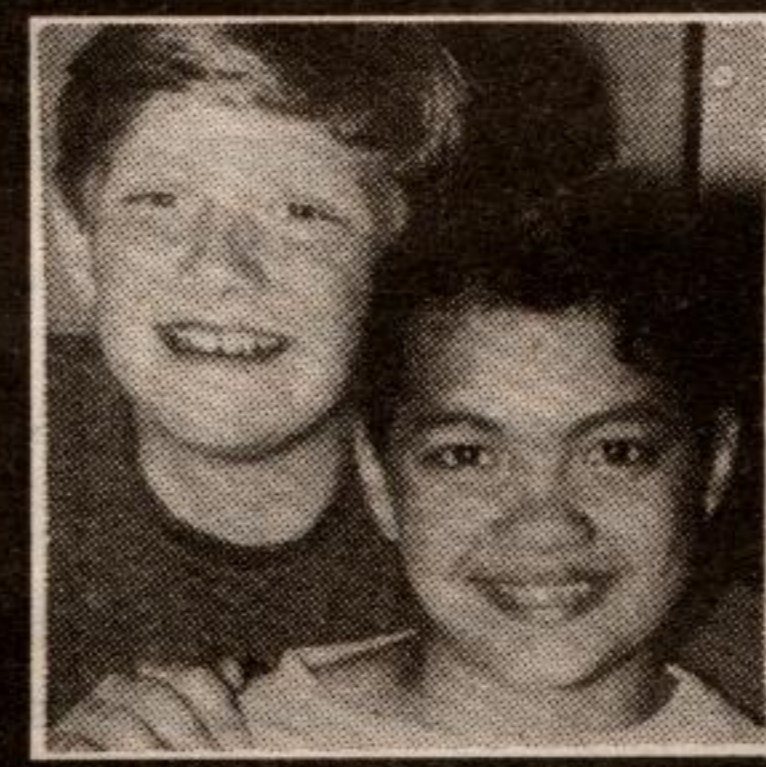

*Stacey graduated from Brock University, St. Catharines. She received her Bachelor of Business Administration with Honours. In her last year of study she was also added to the Dean's Honour Roll.*

*Crystal graduated from the Guelph School of Hairdressing. She received her hairdressing license and is presently employed, full-time, at Corrie's Hair Place, 21 Mill St. W., Acton.*

**McKenzie-Smith Report**  
With Matt Schiller & Roshini Kassie

This year McKenzie-Smith has four co-op students helping out from Acton High. Leigh-Anne Vidler and Kelly Ambrose are helping in the phys-ed department, Matthew Fleet is helping with the special education, and Kim Newman is working with grade six math, social science and language arts classes.

The staff and students would like to thank the co-op students for all their wonderful time and effort. We really appreciated their presence.

The grade sixes' trip this year was just recently held at the Rockwood Conservation Area. We had a great time and the

weather was perfect.

We're undergoing some staff changes, so there are lots of hi's and bye's throughout the hallways. Mrs. Nodwell, who is our vice-principal, is moving to Robert Little to be principal. Other teachers who are leaving are: Mr. Murray, our gym teacher; Mr. Straw, math and science; Mme. Pierce, French; and Mrs. Bradshaw, social science. We wish them all well in their new locations.

Our new vice-principal will be Mrs. Luker, and the other new teachers will be Mrs. Keller and Mme. Pennock. Mr. Armstrong will now be teaching full-time.

The majority of grade seven and eights boarded the Ottawa-bound buses last Monday morning and returned Thursday. We'll provide a full report next week.

**M.Z. Bennett Report**  
With Craig Lockwood & Darren Banks

M.Z. Bennett has primary baseball teams. There are the Bulldogs, the Firebullets, the Tigers and the Great Balls of Fire. Also, M.Z. has junior teams. They are the Sluggers, the Oakland Athletics, the New York Mets, the Jays, the Rangers and the Stringers. All the teams play once a week. We'd like to thank all the teachers that help us on their lunch hour.

In May, three of our junior students went to the writers' conference at Blue Springs Scout Camp. The students who went are Joey Field, Theresa Clayton and Lucas Green. These students had fun making puppets, comics, and working on computers. They listened to Nan Brian tell stories.

On May 19 M.Z. Bennett sent a relay team to Nelson Stadium in Burlington. Atom girls came in third and Atom mixed came in sixth. Congratulations to all relay people!
