Halton Hills Electric loses a pair of games

BY DOUG BOYKO

Acton II, now known as Halton Hills Electric, of the Halton Hills Squirt Baseball League was defeated by Limehouse Wednesday, 8-4.

Halton Hills Electric opened the scoring in the first inning when a Michael Pawlak single brought Michael Smith home. Pawlak stole third base and was driven home by a Bryan Coles single. Limehouse's Dennis Hibbs scored in the first inning on a wild pitch, putting his team within one run of Acton. A pitching duel then developed through the second inning as Halton Hills Electric's pitcher Steven Forbes and Limehouse pitcher Derek Nolan kept the bats quiet. Halton Hills Electric expanded their lead to 4-2 with runs by Forbes and Pawlak in the third

and fourth innings. The Limehouse bats battled back in the late innings with runs by Nolan, Dennis Green, J.J. Shoebridge, Richard Anthony and Kevin Arnold.

In Halton Hills Electric's game Thursday an official protest was lodged by Stan Pawlak, coach of the local club, over the officiating of the game in Hornby.

Tempers flared after Acton's catcher was ejected from the ball game for hitting a Hornby player with his glove. However some spectators alleged the Hornby players sparked the incident by being overly aggressive when crossing home plate. A vocal crowd of Acton fans loudly voiced their disapproval of the calls made by the game's umpires. The final score favoured Hornby by a 17-8 margin. ■
