BALL TOURNAMENT

The senior boys softball team won all their games at the Brookville Tournament then went on to win the all Halton Finals. The girls softball team played very well too. In the tournament on Friday, our

defence was very strong throughout the day. Our girls beat Brookville 4 to 0 then lost to Sam Sherret 3 to 1.

Congratulations to both of the teams and good luck in the future.

To date 4,382 chocolate bars have been sold. We thank you very much for your support and keep it up! Thanks again.

P.S. The final bar selling date was Oct. 14, 1992.

On Wednesday, Sept. 30, it was family B.B.Q./Open House night. It started at 5:30 and supper went until 6:30 when the class rooms were opened. There were hot dogs, doughnuts, chips and drinks to fill the hunger gap. The whole night

ended at 8:30. All in all it was a great night.

Mr. Tadeson has been working for the Halton Board of Education since August, as a teacher here at McKenzie-Smith. Mr. Tadeson teaches science, gym and math. He just moved to Acton from Hamilton where his mom and dad live. He has two older brothers-and a girlfriend named Heidi. He sails in his sailboat, but his girlfriend takes up most of his time. His goal for the year is to teach his students as much as they can learn. He loves to watch Star Trek, but marking papers takes up most of his time.

Best wishes Mr. Tadeson and welcome to McKenzie-Smith Middle School.

The girls volleyball team had a game Tuesday, Oct. 13, and won their games 15-12 and 15-10.

Unfortunately the boys lost their games 15-2 and 15-1.

Good Luck in their next games on Thursday, Oct. 15.

In Mr. Merris's class, two of their fish died.

On Wednesday our school had a Blue Jays day, where everyone dressed up as Blue Jay fans. We know this helped them win!

We even got to see the first twenty minutes of the game in the Gym. Congratulations Jays!

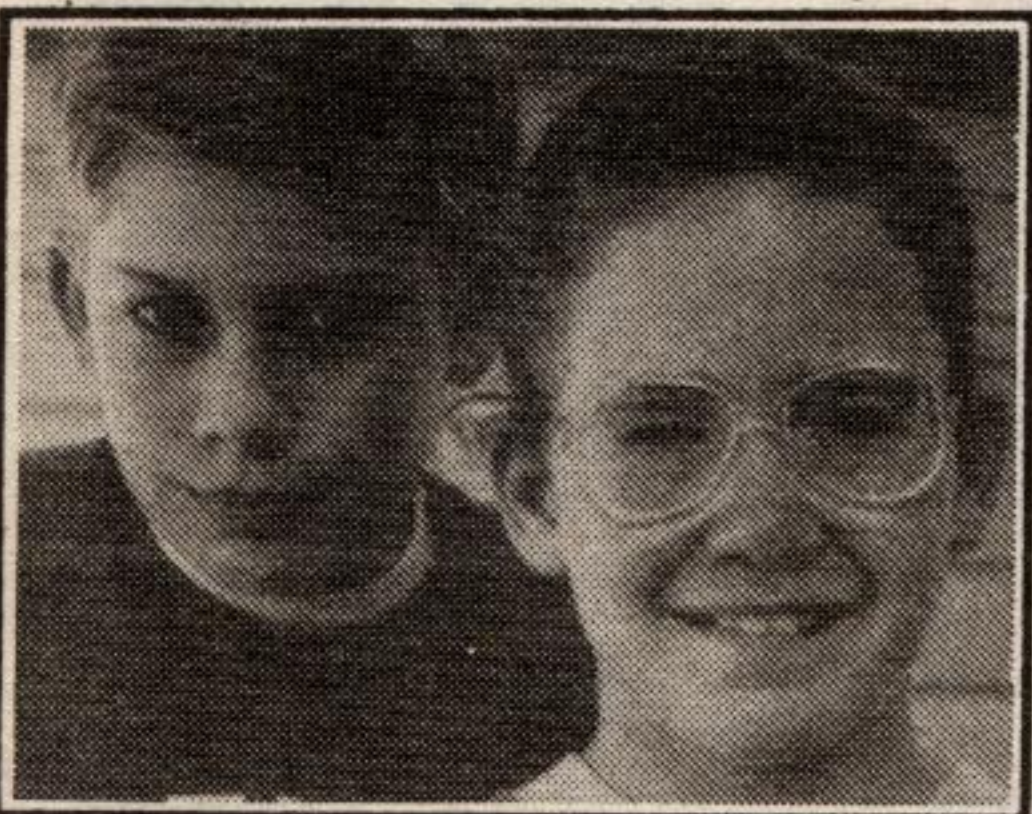

Mrs. Halk's Grade 6 class had a mass on Friday.

On Monday all of us were wearing red and white to show how much Canada means to us. Some of us even made our own flags to hold while we sang O Canada.

Happy 26th, Mike

We had an assembly on Oct. 1, and awards were given to the following: D. Lyons, A. Hargraves, S. Gilbert, M. Berki, A. Holman, K. Greenwood, B. Joyner, R. Rolfe, H. Green, B. Poulos, M. Chumley, P. Bannon, A. Ridley, M. Cripps, L. Almond, J. Gerrow, D. Incoe, M. Hall, R. Chattillon.

The Kindergarten Classes went to see "The Velveteen Rabbit" in Georgetown on Wednesday, October 14. Last week they were busy baking for Thanksgiving. Grades 1 and 2, Mrs. Mattell's and Miss Dunnet's classes will be doing some pumpkin explorations.

Miss Lawson's Grade 2 class is sorting and classifying fruit and vegetables this week. This should be a tasty week for Grade 2!

Mr. Mashinter's Grade 4's and Mrs. Spencer's Grade 3's are going to the Kitchener-Waterloo Record (newspaper) on Nov. 21. This is to study different services

a community uses. Grade 3's made a trip to our own library in Acton to study a much used service.

Mr. Waitson's Grade 4/5's are very involved in a unit about SPACE! It sure is an exciting topic.

Mrs. Graham's Grade 5's have just finished a Graphing Unit and

are about to begin an enjoyable time with "Mixtures."

M.Z. Bennett next week? We are having "Family Math" night. This is a real opportunity for parents to gain some experience as to how math is taught now. We really hope to see you there!
