McKenzie-Smith teams do well at Milton volleyball tourney

BY FRANCES NIBLOCK

Both the McKenzie-Smith Boys and Girls Senior volleyball teams made good showings at the Sam Sherratt Invitational Volleyball Tournament held Saturday in Milton. The Boys team finished third of 10 teams and the Girls came away with a fourth-place finish.

Ten Senior Boys teams from Halton were entered in the tournament and McKenzie-Smith won six of its eight games in round robin play defeating Centennial, Falgarwood, Glen Haven and Maplehurst to make it to semi-final action.

In the semis McKenzie-Smith lost two of three games to Stewarttown and went on to consolation play against Maplehurst. McKenzie-Smith won the first consolation game, lost the second and won the third to end up in third place in the tournament.

Coach Dave Walker described the team's play as fabulous. "The guys started slow but picked up momentum and played extremely well. I'm as proud of them as they are of themselves."

Special mention goes to McKenzie-Smith's Jamie Birrell, Don Jones and Andre Savard.

In league play earlier in the week the Boys took two games from Brookville. In the first game the score went back and forth before McKenzie-Smith finally nailed it 15-13 with the help of Chris Brading and Derek McIntyre, who both showed strong basic skills.

The second game was a much more decisive win, with McKenzie-Smith defeating Brookville 15-3. Jeff Birrell played a very strong game and held the team together with lots of encouragement. Don Jones also warrants special mention for his personal skills development.

In the Girls action, McKenzie-Smith won half of its eight games in round robin play to finish in a three-way tie. McKenzie-Smith had fewer points scored against and made it into the semis against Centennial, the provincial champions who ended up winning the tournament. McKenzie-Smith lost two of three games to Centennial and went on to consolation play.

McKenzie-Smith won the first game against W.I. Dick but then lost the next two games to finish fourth overall.

Coach Anna Drummond said the team played to the best of the ability. "This was their stongest showing yet against Centennial, who are tough to beat. The team realized they had to play up to Centennial's level or get slaughtered, and they played really well."

Special mention goes to Yvonne Hendry for her excellent spiking and blocking and Eleni Halis who mastered retrieving the ball off the net.

Earlier in the week in league play McKenzie-Smith dropped two games to the powerhouse Centennial team.

The Girls team is preparing for the province-wide championships on Saturday, Nov. 13 in Oshawa.
