

ON THIS REMEMBRANCE DAY, the staff here at the Acton Tanner, along with the community businesses listed below, ask that you pause and reflect on the sacrifices that came before our nation's precious peace today. Remember the brave men and women who gave all so that we might live in a world free of the horror that is war.

LEST WE FORGET . . .

"It is a fearful thing to lead this great peaceful people into war, into the most terrible and disastrous of all wars, civilization itself seeming to be in the balance. But the right is more precious than peace, and we shall fight for the things which we have always carried nearest our hearts — for democracy." — Woodrow Wilson
