PEEWEE

Acton's Craigwood Farms dropped a 6-3 decision to Milton Hockey Moms in Pee-wee House League action Saturday at Acton arena.

Coach Lawrie Dickinson was pleased with the squad. "They played a very disciplined game with great defense and offense."

McKenzie-Smith Mustangs improve their game

BY JAMIE BIRRELL

On Thursday the McKenzie-Smith Boys volleyball team put in one of its best performances of the season in games against Centennial.

In the first game the lead went back and forth several times with some incredible rallies at the net. Centennial took game one 15-11 but McKenzie-Smith's solid "bump, set, spike" strategy kept the game close.

Centennial out-muscled the Mustangs at the net to take game two 15-8 but coach Dave Walker was encouraged. "I wish the season was much longer because the guys are really starting to get good and they are working like a team. MVP from Thursday's game goes to Jamie Birrell."

Last Tuesday the Mustang Boys team played three excellent games despite losing to a strong Sam Sherratt team in Milton. In the first

game McKenzie-Smith played well to lose 16-14 in overtime.

Sherratt took game two 15-6 which meant game three was exhibition only. McKenzie-Smith's subs played Sherratt's starters in that game and came very close to beating them.

MVP's were Mike Morrow, Don Jones, Andre Savard, Jamie Birrell, Ben Muggeridge and Derrick McIntyre. Honourable mention went to Scott McDonald for his new back row spiking skills.

The Mustang Girls volleyball team also played Sherratt Tuesday, but like the Boys team was unable to come up with a win.

The McKenzie-Smith girls' serves were dead-on with 93.1 per cent accuracy but the Sherratt team was very tough. The Mustang MVP was Eleni Halis. The heavy hitter was Yvonne Hendry and the rookie of the rally was Stephanie McKay.

Andy's 7 and 2 on season

Andy's plays again tonight (Wednesday) at Guelph's Victoria Rec Centre and heads off to Durham this weekend for a tournament.
