

# Sabres win silver at tourney

BY DOUG HARRISON

Following uncontested wins in the first two games of a weekend hockey tournament in Hamburg, N.Y., the Acton Atom Galvcast Sabres ran against a competitive Dannville entry and battled them to a 1-1 tie.

They were hoping this latest bout with stiff competition would go away as they gained a berth in the championship.

Simply put, it didn't. But a sil-

ver medal performance isn't all that bad of an accomplishment.

What's hard to take, though, is giving up the game-winning goal with 46 ticks left on the clock. As a result, Acton fell 3-2 to their Cayuga opponents.

Ron McCaslin and Kyle Artem scored the Acton goals.

Teammates Ryan Young and Daryn McIntyre recorded assists.

Early in the tourney, it looked as if the Sabres were going to walk

all over the competition as they brought out the heavy artillery in the first game against the hosts.

The Sabres got goals from five different players and a goose egg from goalie Thomas Wolfer in a 7-0 shellacking of Hamburg.

Daryn McIntyre, with his first of two, opened the game with a goal assisted by Kyle Artem and Sandy Chapman.

Shawn Weatherall, with help from Richard Raju and Greg Barends, made it 2-0 after the first period.

Kyle Artem, Sandy Chapman and Barends all posted markers in the middle frame to make it 5-0.

Assists on the goals went to Raju, Daryn McIntyre, Jeff Newman, Shawn Weatherall and Chris Lee.

McIntyre and Artem had the other goals.

Artem and Jason Christopher handled the assists.

Acton doubled an outfit representing Parma Heights, Ohio in the second game by a score of 4-2.

Home side players Raju, Christopher, Ron McCaslin and Marcel Dube all hit the scoresheet with goals.

Ryan Young with a pair, Artem, Newman, Barends, McIntyre, Scott Monaghan and Sandy Chapman with singles, took care of the helper department.

McCaslin scored the only Acton goal, a third period marker, in the 1-1 duel with Dannville.

Dube and Newman assisted on the play.

With the win, the Sabres made their way to the championship round.

**IN LOVING MEMORY:** Janet McCutcheon of Woodstock presents a trophy in honour of her late husband John McCutcheon to Churchill Collision's Steve Brunelle, this year's winner of the Acton Men's Industrial League Best Defenceman award. John McCutcheon was a former league president and player. Acton Terminal Warehouse grabbed this year's championship game with a 9-6 win over Churchill at Acton arena on Sunday evening. ## Monmar shines in exhibition games, suffers playoff loss

Lately, it seems, when something counts for the Monmar Peewees, it doesn't add up to a victory.

After handling Cambridge 4-1 and 6-0 in two recent exhibition encounters, the Acton club threw away the book on defensive coverage and were whalloped 8-3 on the road by Fergus on Saturday.

It didn't help knowing it was the first game of a best-of-five series, either.

The two teams hooked up again here last night for Game 2.

Brian McIntyre, Paul Guy and Jon Routledge scored Acton goals on Saturday.

Acton's Mark Faseruk, Derrick McIntyre and Kevin Dick added assists on the night.

Dick, who had been in a scoring drought throughout the season, managed to score his first

goal of the year in the first exhibition contest on March 3.

After suffering the pounding from Fergus, the Monmar Peewees were looking to redeem themselves on Sunday as they travelled to Cambridge and proceeded to skate around them in a 6-0 thumping.

It marked the first shutout of the year for the Acton Peewees.

The two netminders, Kempton and Metcalfe, shared in the glory.

Phil McIntyre with three, Devon Fraser, Mark Faseruk and Brian McIntyre all scored Acton goals.

Fraser with four, Phil McIntyre with two and Derrick McIntyre counted the visitor assists.

In the first exhibition, Paul Guy, Chris Seads, Jon Routledge and Dick scored for Acton in a 4-1 win.

Kempton and Metcalfe were outstanding between the pipes.

### ACTON MINOR HOCKEY ASSOCIATION ANNUAL MEETING

March 28, 1993 at the Acton Arena.

Meeting starts at 3 pm. All are welcome

The current executive will propose constitutional changes in job descriptions to the meeting along with the following slate:
