Citizens' Band earns gold

SPECIAL TO THE TANNER
The Acton Citizens' Band was entered in the class for community bands at the Guelph Kiwanis Music Festival on Monday, March 8. The class also included the Waterloo Regional Police Band and the Cambridge Concert Band, much larger ensembles than the Acton Band.

In this contest, bands compete against a standard rather than against each other. To attain a gold standing means that in the adjudicator's opinion the band has earned a mark of 80 or better in its performance. The adjudicator com-

mented that all of the bands gave excellent performances and so he awarded gold standing to all. In this grading system a band must have better than 70 for a silver and better than 60 for a bronze.

The Acton Band played two test pieces of its own choice. The first was "Echo Concerto" by Stradell, arranged by Cacavas. The second was "An Irish Suite" by Spinney. The adjudicator commended the Acton Band on their performance in both pieces but noted that the concluding movement of the Irish Suite was particularly well done.

DISNEY ON ICE: Mickey and Minnie Mouse dropped by the Community Centre last Thursday with a few of their friends to skate and get in shape for Disney's Magic Kingdom, the theme for the 29th annual Acton Figure Skating Carnival to be held on April 2 and 3. The Carnival starts on Friday night at 7:30, while the Saturday portion is an afternoon and evening affair. Show times are 2 and 7:30 pm. Behind Mickey and Minnie are, left to right, the bear (Melissa Ford), Pluto (Nicholas Patterson) and Daffy Duck (Matt Schiller). (Doug Harrison photo)

Honeymoon In Vegas

By Julian Sark

Nicholas Cage plays Jack Singer, a small time private-eye who is tricked in to losing his bride-to-be Becky (Sarah Jessica Parker) to Las Vegas cardshark Tommy Corman (James Caan) in a high stakes poker game. Cage does a convincing job portraying Singer's frantic search for his beloved and he is aided by a great supporting cast, including Pat Morita and hundreds of Elvis impersonators. The screenplay does not take advantage of all the opportunities for comedic situations but it definitely has its moments, culminating with Singer's hilarious association with "The Flying Elvises." Not a side-splitter, but it is still worth watching. 95 minutes, Rated PG
