

## Tim Frey visits Robert Little

### ROBERT LITTLE NEWS

BY VISHAL KASSIE & DAVID REED

Last week Tim Frey came to Robert Little to play the cello. He was

great! He played a few songs in several music classes and then at the assembly for the whole school.

April Fool's Day was fun. Our principal and vice-principal's offices were turned upside down along with Mr. Dorscht's room.

Mrs. Denny's class is working on story writing and Mrs. McIntyre's Grade 5 class is writ-

ing stories for primary kids.

On March 25 the Robert Little volleyball team went to a tournament at McKenzie-Smith and M.Z. Bennett schools. It was a good start for the boys team. They won their game against J.M. Denyes. The girls got off to a weak start but did very well by the end of the evening.

For the two days of March 30 and 31, the Grade 5 classes went to Rocky Ridge Ranch. Rocky Ridge Ranch is an "Earthkeepers" training center.

The Earthkeepers teach students about the earth and they want you to become more aware of how to take care of our environment. You have to earn your four keys to become an Earthkeeper, Level 1.

### M.Z. BENNETT NEWS

BY LUCAS GREEN & JOEY THOMPSON

It's been warming up at M.Z. Bennett. Mrs. Mattell's and Ms. Dunnett's classes are studying balloons, making paper mache hot air balloons and making estimation graphs.

Miss. Lawson's class is joining Mrs. Bannerman's class to do balloon experiments.

Mrs. Spencer's class is learning

some French songs in preparation for a visit from Jacquot, who is performing at M.Z. Bennett on Tuesday, April 27 for the entire school to enjoy.

Mr. Mashinter's class has begun to use the Lego Logo kit. Students are constructing Lego machines which can be programmed using our Apple computer. They are also working in a variety of math and science centres.

Mrs. Graham's class learned how to do the Bunny Hop dance in gym just in time for Easter!

The students operating "The One Stop Treat Shop" will be selling Easter candies on Thursday to make money for our end of the year play day.

MAIN FLOOR PLAN

## HOLIDAY TIME!

Well, not quite yet, but it is the perfect time to start planning your personal holiday retreat.

This vacation home offers a comfortable open plan design, providing ample room for friends and family to stretch out and relax. The kitchen has an efficient working layout with ample cupboard and counter space. Two good sized bedrooms share a three-piece bath. And, the side entrance leads into a utility room where dirty clothes and shoes can be dropped off before one enters into the main living area.

Sliding glass doors lead from the breakfast area and the living room to a large sundeck — a perfect spot to set up the barbecue.

Best of all, low square footage and a simple roof and foundation plan should keep construction

costs down.

Plans for V-71 may be obtained for \$295 for a package of five complete sets of working prints and \$29 for each additional set of the same plan. Allow \$12 extra to cover the cost of postage and handling (B.C. residents add applicable sales tax to plan total). All Canadian residents add seven per cent GST to plan total plus postage and handling.

This is one of our new designs. Many innovative plans are now available in our NEW Vacation plan catalogue for \$9.58 including postage and handling and seven per cent GST.

Please make all cheques, money orders and Visa or MasterCard authorizations payable to: The Acton Tanner Home of the Week, P.O. Box 150, Acton, Ontario, L7J 1G8.
