

Free assessment of child development

Concerned about your baby or child's development?

Free consultations will provide parents with a quick response as to

how well their children are developing.

This simple testing will help find any areas of concern for your pre-schooler in the areas of thinking and reasoning, movement, communication skills, and social-emotional development.

Join a representative from the Developmental Early Intervention Program in Milton on June 1 at the Cherish Parent-Child Centre from 9:30 to 11:30 am or in Acton at the Acton Parent-Child Resource Centre on Thursday, June 3 from 9:30 to 11:30 am.

No appointments are necessary; just come to the Parent-Child Resource Centre with your infants, toddlers or preschool children.

For more information contact either Parent-Child Centre or call Lin at Acton Social Services and Information Centre at 853-3310. We are located at 19 Willow St., N., Acton.

FREE WHEELIN': This Sunday, the annual Halton Hills Bike-a-thon will be held in Georgetown. Acton Village Constable Bill Riddle, who's been practicing hard in his free time, will be riding for the first time in the 15 kilometre event, which is in support of the North Halton Association for the Developmentally Handicapped.  THE SCHOOL!**

Camping safely is best way to have fun

A little extra caution is an item well worth taking on any camping trip — whether it be the backyard

or the open woods variety. A fire extinguisher is a must in every camper's equipment; it could well be a life saver.

It is also recommended that a portable smoke alarm be part of every holidayer's equipment. A minimum of one of these life saving devices properly located in a recreational vehicle or tent can

detect the presence of smoke and provide those precious extra moments that can mean survival.

On all camping trips, all fire laws, ordinances, and regulations must be strictly adhered to.

For more information on this and other fire safety issues please contact the Halton Hills Fire Department at 873-1133.

THE CORPORATION OF
THE TOWN OF HALTON HILLS

NOTICE OF PUBLIC MEETING

for Halton Hills Land Use Study and
 Residential Implementation Study
 for the Community of Acton, Ward 1/Acton
 and Wards 3 and 4/Georgetown

Council of the Town of Halton Hills will conduct a Public Meeting in order to present and discuss proposed changes to the Town of Halton Hills Official Plan. These proposed changes have been incorporated in proposed official plan amendments that are intended to implement earlier decisions of Council on February 16, 1993 involving the adoption of two studies referred to as the Halton Hills Urban Land Use Study, and the Residential Implementation Study for Acton Urban Area. These studies contain growth management recommendations for both the communities of Acton and Georgetown.

ALL INTERESTED CITIZENS WELCOME

For further information contact the Town's Planning Department at 873-2600. Copies of the proposed amendments are available in the Planning Department.
