

**ONWARD AND UPWARD:** St. Joseph's graduating Grade 8 class was honoured at an assembly last Tuesday morning. These proud award winners took time out of celebrating to pose for a photo with their hardware. (Wendy Long photo)

# Teen thanks Samaritan

**TIM MORGETROYD**

The Acton Tanner

An Acton teen wishes he could thank a local Good Samaritan who returned the wallet he lost while watching the Canada Day Fireworks, but the person who did so chose to remain anonymous.

Wallace Rediker didn't realize his wallet was missing until he got up for work the morning after the fireworks, and that night police phoned with the good news. Although the wallet was empty except for ID cards, someone was thoughtful enough to drop it off in the mail slot in 10 Division's front

door.

The 17-year-old isn't sure he would have gotten the wallet back if there had been money in it, but says "I really can't say, because it depends on the person who did it."

Rediker suspects the person would have returned it with money too because, he says half-kid-dingly, a card for a free six-inch sub from Subway was still in the wallet.

Rediker hopes he can thank the person someday, and says if he ever finds someone's wallet he would also return it "in a second."

## Luxurious Family Home

An elegant stucco exterior boasts feature windows and a multi-level roof design.

Enter into a spacious foyer open to the second storey. To the right, french doors lead into a stylish living-dining area which features a spacious open plan distinguished by a vaulted ceiling in the living room and a coffered ceiling in the dining room. A french door separates guests in this area from the noisy hustle bustle of the kitchen-family room area. The cook in the family will appreciate a gourmet kitchen complete with plenty of cupboard and counter space, a handy work island and a pantry. We leave the recreation room up to your imagination; for the fitness-minded, a home gym might be in order, or perhaps a music room or home office might fit the bill.

Upstairs, three secondary bedrooms share two full-sized bathrooms. A large utility room is conveniently situated where most of the laundry will be generated. The games room could also be

used as a guest bedroom. The Master bedroom is particularly grand, featuring a private balcony, a large walk-in closet and a five-piece ensuite with double sinks and a raised swirl tub set into a bay.

Plans for U-834 may be obtained for \$595 for a package of five complete sets of working prints and \$59 for each additional set of the same plan. Allow \$15 extra to cover the cost of postage and handling (B.C. residents add applicable sales tax to plan total). All Canadian residents add seven per cent GST to plan total plus postage and handling.

This is one of our new designs. Many innovative plans are now available in our NEW two-storey plan catalogue for \$13.85 including postage and handling and seven per cent GST.
