Quick tips for healthy travel

Before travelling to a foreign destination, check out that country's requirements for immunization. You might be asked to provide a copy of your immunization records at the border.

Your doctor should supply you with a letter listing any prescription you're taking and why you

are taking it. It's also a good idea to make up an itinerary of countries you will be visiting with their immunization and visa requirements and the addresses of the embassies nearest to where you'll be staying.

Business travel usually means short trips with tight schedules. So

to make effective use of your time, take advantage of travel time to have a look at those files and projects you keep meaning to get to. Call your answering machine each night and listen to your messages. This way you can keep tabs on what's happening at home so that you're not missing anything.

At only 60¢ a week, it's the best value in town.

Now is the time for you to sign up as an Acton Tanner subscriber, so that we can deliver to you all the local news and information in a concise, interesting and accurate weekly paper. Every Wednesday we'll keep you informed about the issues that affect you, your family and your neighbourhood.

Sign on to support our community's independent news voice. Fill in the order form below, then mail it or bring it in to our downtown Acton offices.

After all, at just 60¢ a week, it's the best deal in town!
