

# What Acton needed

"We're a general discount store. We cater to all age groups," states the spokesman, who has bought and sold bankruptcy businesses for 10 years. "I'm able to bypass the wholesalers and take the product directly to the public."

Fast selling T-shirts of Ren and Stimpy, the two crazy cartoon characters who formerly appeared on MuchMusic, go for \$7.99, while Barney, the popular stuffed dinosaur, has T's for \$4.49.

Main St. Miracle employs two people, Bev Hancock, full-time manager and part-time sales clerk

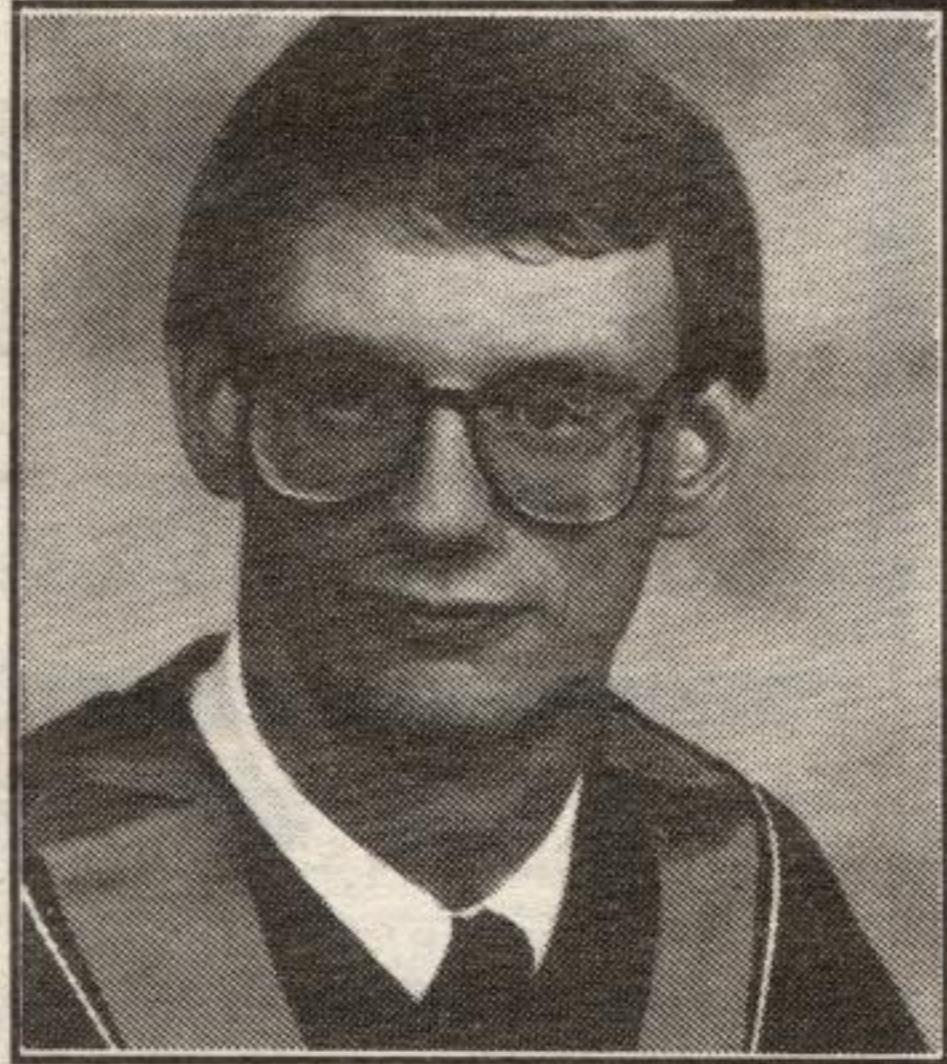

Adele Nolan.

The spokesman is tickled pink about having neighbours such as Subway, IGA and Mr. Mugs.

"That's what attracted us to this area," he says. "IGA is a big draw. The right crowd goes in. And the donut shop is enjoying a fruitful year. When the Tim Horton's goes in it will hurt us because it will draw a lot of people away."

There may be two more Main St. Miracle stores by Christmas. The likely sites are in Erin and Orangeville.

"Every day we have customers say this is what Acton needed. We have found that we can certainly be of use here," he says.

## Unique Design for Retirement Living

This stylish design is sure to be the talk of the neighbourhood.

The garage and front entrance are set at a 45-degree angle from the rest of the house, creating an interesting street appeal. Enter into a vaulted foyer brightened by overhead skylights. An open plan for the living-dining area, also vaulted, creates a spacious atmosphere for entertaining and features a three-way gas fireplace and french doors which lead out to a covered patio. The kitchen also features a vaulted ceiling and boasts plenty of cupboard and counter space. Close proximity to the garage ensures easy transport of groceries from the car to the cupboards.

Both bedrooms are a good size. The front bedroom features a fashionable window seat. The master boasts plenty of closet space, french doors leading out to a covered patio, and a four-piece ensuite with an extra-

large shower, a vanity and a raised swirl tub set into a bay.

Plans for NB-546 may be obtained for \$335 for a package of five complete sets of working prints and \$29 for each additional set of the same plan. Allow \$15 extra to cover the cost of postage and handling (B.C. residents add applicable sales tax to plan total). All Canadian residents add seven per cent GST to plan total plus postage and handling.

This is one of our new designs. Many innovative plans are now available in our NEW Rancher plan catalogue for \$9.58 including postage and handling and seven per cent GST.
