

# Parent interviews at M.Z. this week

## M.Z. BENNETT NEWS

BY ROB PRICE & TERI MCCASLIN

What a busy time at M.Z. Bennett

this week! Mr. Shrubsole's Kindergartens have been busy learning about dinosaurs. Last week an ambulance driver came and showed them how the ambulance

people help those who need their help. The children looked inside. Some even got to sit inside and turned the siren on!

A pioneer is someone who does something for the "first" time or explores and discovers something new. Mrs. Bannerman's and Mrs. Spencer's classes are realizing that they are also "Pioneers." Each stu-

dent has made a "Time-Line" of his or her "firsts" along with pictures.

Miss Lawson's Grade 2 class are studying "Pioneers" also. They are doing rug hooking on burlap with different coloured strips of material and learning to braid.

Mrs. Bannerman's, Mrs. Spencer's and Miss Lawson's classes are going to Black Creek Village tomorrow (Thursday).

Mr. Mashinter's, Mr. Waitson's and Mrs. Graham's classes went to the Science Centre on Friday.

Mr. Waitson's class is doing experiments involving "Magic."

Mrs. Graham's class has been doing some very interesting studies on famous painters and artists.

Report cards went home on Friday! Interviews take place tomorrow and Friday.

Way to go Lakers!

## A legacy for our children

our governments and our futures so we can pass them on.

Perhaps never before has it been so important to ask not what our country can do for us, but what we can do for our country.

Camelot is gone! For you, for me — but most of all for the little angel at the parade. It's a shame!

## Streetproof older kids too

Older children should also be aware of the dangers to them. The following is a check list for all children, but leans towards older children who might be home alone.

1. Never hitchhike.
2. Never tell any stranger or friend over the phone that you are home alone.
3. Always know how to contact your parents.
4. Be wary of strangers asking information.
5. Always carry identification and enough money to make a phone call.
6. Know your address and telephone number.
7. Always tell your parents where you are going, when you will return and how you can be contacted.
8. Never let strangers in the house when you are alone.

By being aware a child removes much of the opportunity for a crime to be committed against them. As a parent it is your responsibility to make your child streetproof.

The Halton Police Service can provide police officers to talk to children about stranger awareness. Please contact me at 853-2050.
