AHS Midgets lose 54-30 cage battle to E.C. Drury

BY DOUG HARRISON

The Acton Tanner

The Midget Redmen Boys' basketball team started their game with the **E.C. Drury Spartans** last Wednesday with good hustle and good ball-control.

Too good, in fact.

The locals began dissecting the defensive scheme of the **Spartans** so effectively at **Acton High** that their coach realized a zone coverage had to spell an anemic man-to-man strategy.

It soon spelled victory for the **Spartan** hoopsters as they built upon a 17-14 lead at the midpoint of the second quarter en route to a 54-30 win.

"This was our best effort all year," said a surprisingly upbeat **Redmen** coach Harvey Lemon after the game.

Redman David Ham scored

eight of his team's 16 first-half points — six in the first quarter — but found himself double-teamed in the second half and couldn't sink the ball.

Employing a press to start the third quarter, the **Spartans** had the home side's offence in a knot. The **Redmen** struggled to move the ball up court, giving up four points.

"The press is something that makes the other team panic. It also means we had an extra man in their end but we didn't put the ball in the basket," said Lemon, whose team surrendered 23 points in the final quarter.

Ham and Jamie Birrell led the **Redmen** with eight points apiece, while Rob Huisman added six.

NOTES: The **Redmen** hosted **Assumption** on Monday and dropped a 48-32 verdict. They host **Bishop Reding** Feb. 7.

Andy's wins 15 games

The **Andy's Restaurant** Novice II rep hockey team took two one-goal games to cap a successful 1993-94 campaign.

On Saturday, Darryl Wright and Michael Borg scored in the locals' 2-1 edging of **Elora** at the Community Centre.

Jessie Hepburn and Peter Glatt garnered assists.

Matt Bronizewski scored the lone **Andy's** goal on Friday in a narrow 1-0 win over **Arthur** on the road.

Glatt and Stephano Citton drew assists as **Andy's** finished the season 15-11-2.

I am a community newspaper.

While the high and the mighty strut and stamp across the world's stage, a handful of proud citizens tend the flowers in downtown planters. A young boy scores the winning goal in a hockey game. The high school theatre group produces a smash hit. Town council passes an important new law.

The real lives of real people. People who don't start wars, who don't build empires, who don't go into the history books. But whose stories are exciting, interesting, vital and important. Stories that should be told.

And I tell these stories every week because I am a community newspaper.

My arena is not Parliament or Queen's Park — it is the neighbourhood. The community. But what I have to say about it touches my readers' lives every bit as much as that larger drama. Maybe even more.

I am a community newspaper. I am welcomed into hundreds of homes every week. Not as an intruder, shrieking out the harshness, violence and complexity of the world. But as a friend. A mirror of my readers' lives. Their joys, sorrows, accomplishments.

I am a community newspaper. I am proud, tough, independent. I know when to smile, when to grumble, how to chide, how to help.

I am a community newspaper — in a great community. And I'm proud of it.
