Enter into the foyer. To the right, a den complete with a walk-in closet could be used as a home office or as a fourth bedroom. Upstairs, an open plan for the living and dining room creates a spacious area for entertaining and features a vaulted ceiling and gas fireplace in the living room. The kitchen provides an efficient working layout complete with a pantry and a nook.

Both secondary bedrooms feature boxed out window seats. The master, like those in larger homes, features a walk-in closet and a three-piece ensuite.
