Chess club needs chess sets

M.Z. BENNETT NEWS

BY JESSICA CRAIG &
NATHAN WILLIAMSON

Mr. Shrubsole's classes are learning how to skate for the first time. They are having fun doing class activities.

Mrs. Mattell's and Ms. Dunnet's classes are learning about birds. They made paper mache birds to hang in their classrooms and at their bird activity centres are baking nests to eat.

Miss Lawson's class is learning about "Under the Sea" creatures such as porcupine fish and star fish. In math class they're doing fractions.

Mrs. Bannerman's class is doing research on sea creatures as well. With all the information they've collected they have been able to make some interesting eye catchers.

Mrs. Spencer and Mrs. Bunt have started the Chess Club again this year and have over 50 members. If anyone has chess sets to donate to the school they would be greatly appreciated. Even spare pieces can be used as we mix and match to make a set. Send in any sets you can spare with your child or call the school at 853-0530 to arrange for pick-up. Thanks!

Mr. Mashinter's class is starting to design, construct and motorize Lego machines. When this

is done they can program on the computer.

Mr. Waitson's class is working on speeches for public speaking and they are going skating with Mr. Mashinter's class.

This week Mrs. Graham's class is learning volleyball skills such as bumping, volleying and serving. They are also making graphs from a chart outside their room.

Mrs. Wiens is running the Card Club again this year. There are between 30 and 40 members. They meet each Wednesday.

The school news this week is that we are having a Grade 5 dance to raise money for the Earthkeepers' trip in April.

The Grade 5s are going to the Young People's Theatre to watch "The Nightingale."
