## ASSIC ALERT

Attention all students: Acton Social Services now has a Canada Employment Centre for Student Job Listings.

## Street appeal!

This elegant two-storey, designed for a lot with rear lane access, boasts a fashionable stucco exterior with feature windows and dramatic high arched entrance.

Enter through double doors into the foyer which is open to the second storey and brightened by an overhead window. French doors lead into a sunken living room featuring a stylish vaulted ceiling. An open plan for the living and dining room creates a spacious atmosphere for entertaining, and a sliding pocket door in the dining room closes this area off from the noisy hustle bustle of the kitchen. The kitchen has an efficient working layout with ample cupboard and counter space and a pantry. An open counter allows one to look into the nook and enjoy the natural sunlight pouring in from surrounding windows. The family room provides plenty of room to arrange furnishings and features a cosy gas fireplace. A den, just inside the front entrance, would make an ideal home office.

Upstairs, all three bedrooms are a good size. The

games room shows a rough-in for a closet if a fourth bedroom is preferred. The master features a walk-in closet, and a five piece ensuite with double sinks and a raised swirl tub.

Plans for U-854 may be obtained for \$475 for a package of five complete sets of working prints and \$45 for each additional set of the same plan. Allow \$15 extra to cover the cost of postage and handling (B.C. residents add applicable sales tax to plan total). All Canadian residents add seven per cent GST to plan total plus postage and handling.

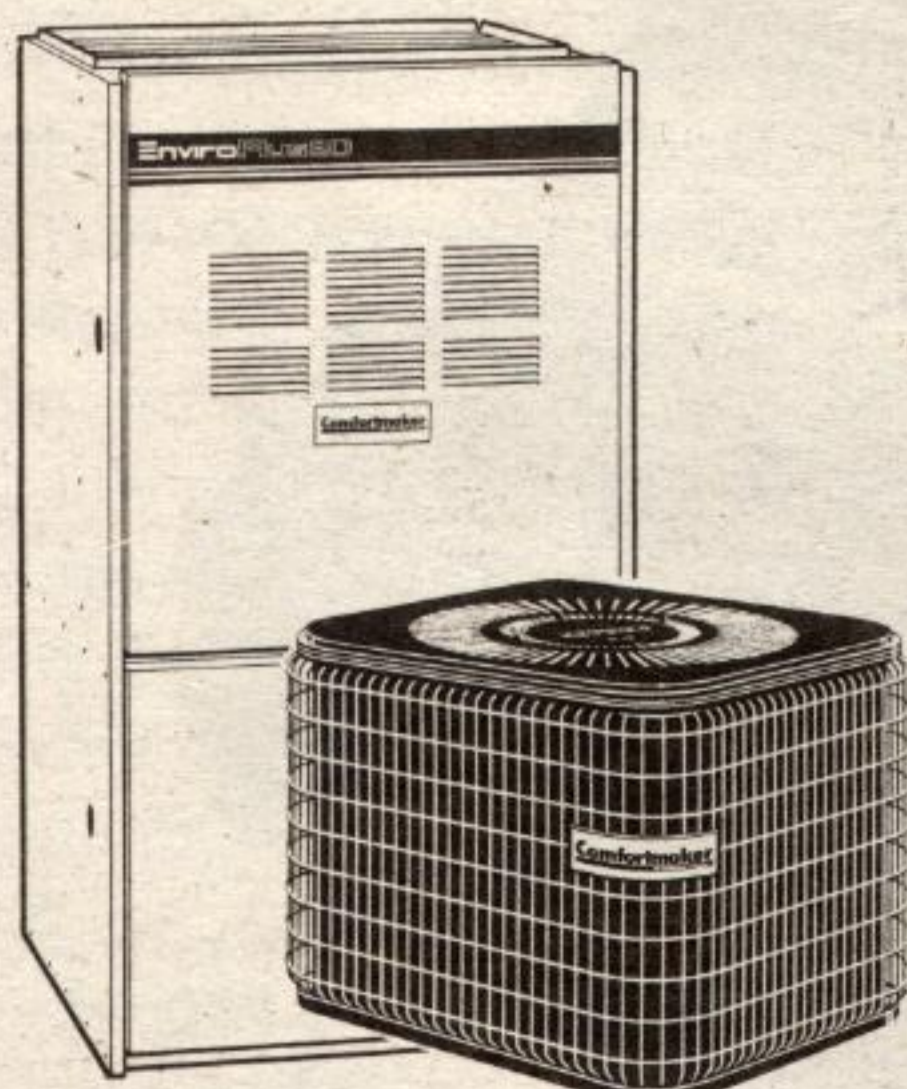

This is one of our new designs. Many innovative plans are now available in our NEW 30th edition plan catalogue for \$13.85 including postage and handling and seven per cent GST.

Please make all cheques, money orders and Visa or Master-card authorizations payable to: The Acton Tanner Home of the Week, P.O. Box 150, Acton, Ont., L7J 1G8.
