

Under-13s reel off 4th straight win

The Leathertown Pet & Feed Supply Under-13 Boys' soccer team improved its record to 4-0 as they trounced all three of their opponents last week.

On Sunday, as the weather sized, so did the locals' play. Joel Petkoff got things started against Hillsburgh on a nice feed from Andrew Martin.

Petkoff would add five goals with a supporting cast of Martin, Jakub Wiktor and Derrick Inscoc.

Inscoc and Jason Mota rounded out the scoring in the 8-2 game, which was a make-up contest from an earlier rainout.

Strong showings were turned in by Ben Williams, Ben Elliot, Matt Morrow, Ryan Bowen, David Hatch and Jeff Payne.

On Thursday, Mota opened the scoring off a beautiful header on a Petkoff pass. Acton then took full control and increased its lead to 7-0 by the half and 10-0 by game's end.

Petkoff and Danny Goralewski fired three goals each. David King added a pair, while Martin had a

single. Kevin Dreschel recorded the shutout.

Acton hosted Listowel last Wednesday at the Elizabeth Drive field and powered by the offensive heroics of Mota and Petkoff, cruised to a 9-3 victory.

Petkoff counted four goals, while Mota had the hat-trick.

Bowen and Goralewski had one.

Hatch and Scott Nairn and strong games with Wiktor controlling the ball in Acton's end.

The locals' next game is tonight (Wednesday) at 7 against Fergus at the Elizabeth Drive field. They then travel to Ancaster for a one-day tournament on Saturday.

Atom Girls drop a pair against Glen Williams

For the Acton IGA Girls' Atom softball team, it's not always whether you win or lose or how you play the game, but how much fun you have.

Although they wished they played better in recent 24-19 and 23-2 defeats to Glen Williams, they could still fashion a smile by game's end.

In the 24-19 contest, Alyssa Caverley showed some offensive punch, while Ashley

Stinson provided effective defence patrolling first base.

Undoubtedly, the offensive star in both games was Rachel McKnight, who slugged the ball deep to all fields with each plate appearance. She also marvelled in the field at her third base position.

The locals host Hornby at Prospect Park tonight (Wednesday). Come out and catch the team spirit!
