

WILLING TARGETS!

Rockwood's Jonty Bushell, 10, was in total control on a recent hot day, using his super-soaking XP-75 to cool off his friends. That's 4-year-old Nathan Perkins and Kyle Frawley, 6, enjoying the refreshing blast of water. (Doug Harrison photo)

You can still be a Loser

It's not too late to become a Lucky Loser, and join Rockwood area residents in losing those extra pounds.

"We're starting a new session in September," explained co-organizer Betty Mitchell yesterday (Tuesday). "Many people like to start in the fall, after the summer has ended."

The Lucky Losers meet Thursday evenings at 5:30 in the meeting room at the Eramosa Library. Cost is just \$5 per session (\$4 for seniors).

"Our numbers have been down a bit in the summer, with 10 to 15 people showing up consistently," explained Mitchell.

"But everyone has been away on holidays, so our turnout should be picking up."

The topics covered by the group include how nutrition and exercise affect one's weight gain and loss.

For more information readers can call Dot Polo (856-9441), Jan Osborne (856-4605) or Betty Mitchell (853-0788).

HOMEPLAN OF THE WEEK!

Plan No. U-870
 2722 SQ.FT.

Contemporary design with rear garage

A rear garage makes this plan suitable for a lot with rear lane access and allows for a more pleasing front view of the home.

Enter into a spacious foyer two storeys high. A private living room features a 10'6" ceiling height, feature windows and a cozy gas fireplace. The dining room provides ample room for guests and family. A sliding pocket door closes off the noisy hustle bustle of the kitchen and family room area. An open plan for the kitchen/family room creates a country kitchen style atmosphere — ideal for more informal gatherings.

Upstairs, the master bedroom features a walk-in closet and a large five-piece ensuite with a raised soaker tub. The games room will accommodate a variety of games equipment, or it could be used as a

fourth bedroom if required.

This plan also features hot water radiant heating and is available with a slab or crawlspace foundation.

Plans for U-870 may be obtained for \$475 for a package of five complete sets of working prints and \$45 for each additional set of the same plan. Allow \$15 extra to cover the cost of postage and handling (Canadian residents add 7 per cent GST to plan total plus postage and handling).

This is one of our new designs. Many innovative plans are now available in our new 30th edition plan catalogue for \$13.85 including postage and handling and 7 per cent GST.

Make cheques, money orders, Visa or MasterCard authorizations payable to The Acton Tanner Home of the Week, P.O. Box 150, Acton, Ont. L7J 2M3.
